Purified Solanum turgidum S.Knapp -- Brittonia 38: 288 (-290), fig. 1986 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum turneroides Chodat -- Bull. Herb. Boissier Ser. II. ii. 814. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum turneroides Chodat -- Bull. Herb. Boissier 2. ser. 2: 814. 1902 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum turraeifolium S.Moore -- J. Bot. 61(Suppl.): 37. 1923 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tuxtlense Sessé & Moc. -- Fl. Mexic., ed. 2 52. 1894 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tuxtlense Sessé & Moc. -- Fl. Mexic., ed. 2 52. 1894 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum tweedieanum Hook. -- Bot. Mag. 62: t. 3385. 1835 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ubanghense A.Chev. -- Etudes Fl. Afr. Centr. Franc. i. 218 (1913), nomen. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum uchubita Cortés -- Fl. Colombia (Cortes) 103. 1897 Name only as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ueleense De Wild. -- Bull. Jard. Bot. État Bruxelles 4: 400. 1914 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ugentii Hawkes & K.A.Okada -- Phytologia 64(5): 327 (1988). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ugentii Hawkes & K.A.Okada -- Phytologia 64: 327 (-328). 1988 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ukerewense Bitter -- Repert. Spec. Nov. Regni Veg. Beih. 16: 242. 1923 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum uleanum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 139. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum uleanum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 139 (t. 1). 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum uleanum Bitter var. gracilescens Bitter -- Repert. Spec. Nov. Regni Veg. 12: 141. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum uleanum Bitter var. unipedunculatum Bitter -- Repert. Spec. Nov. Regni Veg. 12: 140. 1913 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ulei (Bitter) C.V.Morton -- Contr. U.S. Natl. Herb. 29: 60. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ulei (Bitter) C.V.Morton -- Contr. U.S. Natl. Herb. xxix. 60 (1944). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum uliginosum Blume -- Bijdr. Fl. Ned. Ind. 13: 695. 1826 [24 Jan 1826] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ulmoides Dunal -- Prodr. [A. P. de Candolle] 13(1): 130. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ultimum A.R.Bean -- Austrobaileya 6(4): 680 (-682; fig. 16). 2004

Purified Solanum ultraspinosum A.R.Bean -- Austrobaileya 9(4): 526. 2016 [8 Dec 2016]

Purified Solanum ulugurense Dammer ex Engl. -- Pflanzenw. Ost-Afrikas A (1895) 130, nomen. [ulugurensis]. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ulugurense Dammer -- Bot. Jahrb. Syst. 38(2): 191. 1906 [1907 publ. 14 Aug 1906] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ulugurense Holub -- Preslia 46(2): 169, nom. nov. 1974 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Suppl. iii. 757. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum uniflorum Vell. -- Fl. Flumin. 86. 1829 [1825 publ. 7 Sep-28 Nov 1829] ; see also Fl. Flumin. Icon. 2: t. 114. 1831. [1827 publ. 29 Oct 1831] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum uniflorum Sessé & Moc. -- Naturaleza (Mexico City) ser. 2, 1, app. 35. 1888 Plantae Novae Hispaniae as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum uniflorum Sessé, Sessé & Moc. -- Pl. Nov. Hisp. 35 (Naturaleza (Mexico City), Ser. 2, 1: App.); ed. 2, 33. 1888 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum uniflorum Sessé & Moc. var. berterianum O.E.Schulz -- Symb. Antill. (Urban). 6(1): 186. 1909 [15 Jul 1909] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum uniflorum Sessé & Moc. var. berterianum O.E.Schulz as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum unifoliatum S.Knapp -- Ann. Missouri Bot. Gard. 73(4): 739. 1987 [1986 publ. 1987] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum unifoliatum S.Knapp -- Ann. Missouri Bot. Gard. 73: 739 (-740), fig. 1987 1986 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum unilobum (Rusby) Bohs -- Taxon 44(4): 586 (1995):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum unispinum A.R.Bean -- Austrobaileya 8(3): 425 (-428; fig., map). 2011 [1 Dec 2011]

Purified Solanum uollense (Chiov.) Pic.Serm. -- Miss. stud. Lago Tana vii. Ricerche Bot., Pt. 1, 131 (1951). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum upingtoniae Schinz -- Vierteljahrsschr. Naturf. Ges. Zürich lvi. 266. 1911 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum upolense Witasek -- Repert. Spec. Nov. Regni Veg. 5: 164. 1908 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum uporo Dunal -- Prodr. [A. P. de Candolle] 13(1): 138. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum urbanianum Dammer -- Pflanzenw. Ost-Afrikas C (1895) 355. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum urbanum Morong -- Ann. New York Acad. Sci. vii. (1893) 177. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum urbanum Morong -- Ann. New York Acad. Sci. 7: 177. 1893 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum urbanum var. foliosum Chodat -- Bull. Soc. Bot. Genève ser. 2, 8: 152, fig. 47. 1916 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in

combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum urbanum var. nervosum Chodat -- Bull. Soc. Bot. Genève ser. 2, 8: 152, fig. 47. 1916 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum urbanum var. ovatifolium Chodat -- Bull. Soc. Bot. Genève ser. 2, 8: 152. 1916 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum urbanum var. subtomentosum Chodat -- Bull. Soc. Bot. Genève ser. 2, 8: 152, fig. 47. 1916 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum urbanum var. typicum Chodat -- Bull. Soc. Bot. Genève ser. 2, 8: 151. 1916 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum urceolatum Pers. -- Syn. Pl. [Persoon] 1: 223. 1805 [1 Apr-15 Jun 1805] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum urens Bonhomme ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 311. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ureyi Cárdenas -- Bol. Soc. Peruana Bot. v. 32 (1956); cf. Gray Herb. Card Cat. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ureyi Cárdenas -- Bol. Soc. Peruana Bot. 5: 32. 1956 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum urnigerum (Bitter) C.V.Morton -- Contr. U.S. Natl. Herb. 29: 58. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum urnigerum (Bitter) C.V.Morton -- Contr. U.S. Natl. Herb. xxix. 58 (1944). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum urosepalum Dammer -- Bot. Jahrb. Syst. 53(3-5): 339. 1915 [19 Oct 1915] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ursinum Rusby -- Mem. Torrey Bot. Club 4: 227. 1895 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum ursinum Rusby -- Mem. Torrey Bot. Club iv. (1895) 227. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk

Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum urticans Dunal -- Prodr. [A. P. de Candolle] 13(1): 324. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum urubambae Juz. -- Izv. Akad. Nauk SSSR, Ser. Biol. 2: 312. 1937 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum urubambae Juz. -- Bull. Acad. Sc. URSS 1937, Ser. Biol., 312. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum urubambae Juz. f. chakchabambense Ochoa -- Las Papas de Sudamerica: Peru 1: 231 (1999). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum urubambae f. chakchabambense Ochoa -- Papas Sudamer. Peru 1: 231 (figs. 89-91). 1999 [Mar 1999] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum urubambae Juz. f. velutinum (Correll) Ochoa -- Papas Sudamer. Peru 1: 234. 1999 [Mar 1999] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum urubambae Juz. f. velutinum (Correll) Ochoa -- Las Papas de Sudamerica: Peru 1: 234 (1999). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum urubambaense Agra -- Syst. Bot. 33(3): 561 (-564; figs. 4-5). 2008 [22 Aug 2008]

Purified Solanum usambarense Bitter & Dammer -- Repert. Spec. Nov. Regni Veg. Beih. 16: 40. 1923 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum usaramense Dammer -- Pflanzenw. Ost-Afrikas C (1895) 353. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum utile Klotzsch -- Allg. Gartenzeit. xvii. (1849) 315. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

(Urban). 6(1): 189. 1909 [15 Jul 1909] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum virgatum Lam. var. lentum (Cav.) O.E.Schulz in Urb. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum virginianum Pav. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 331. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum virginianum Pers. -- Syn. Pl. [Persoon] 1: 227. 1805 [1 Apr-15 Jun 1805] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum virginianum Russ. ex Wall. -- Numer. List [Wallich] n. 2613 D. 1831 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum virginianum L. -- Sp. Pl. 1: 187. 1753 [1 May 1753] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum virginianum Jacq. -- Icon. Pl. Rar. [Jacquin] 2: 11, t. 332. [1786-1793] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum virginicum L. -- Mant. Pl. Altera 340. 1771 [Oct 1771] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum virgultorum (Bitter) Cárdenas & Hawkes -- J. Linn. Soc., Bot. liii. 103. 1946 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum virgultorum (Bitter) Cárdenas & Hawkes -- J. Linn. Soc., Bot. 53: 103. 1946 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum viride Schur -- Enum. Pl. Transsilv. 478. 1866 [Apr-Jun 1866] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum viride R.Br. -- Prodromus Florae Novae Hollandiae 1810 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum viride Sol. ex G.Forst. -- Pl. Escul. 72. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal

Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum viride R.Br. -- Prodr. Fl. Nov. Holland. 445. 1810 [27 Mar 1810] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum viride G.Forst. -- De Plantis Esculentis Insularum Oceani Australis Commentatio Botanica 1786 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum viridescens hort. ex Rchb. -- Fl. Germ. Excurs. 391. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum viridiflorum Schltdl. -- Linnaea 19: 292. 1846 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum viridiflorum Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 38, t. 173, f. b. 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum viridifolium Dunal -- Prodromus 13(1) 1852 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum viridifolium Dunal -- Prodr. [A. P. de Candolle] 13(1): 73. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum viridimaculatum Gilli -- Ann. Naturhist. Mus. Wien 77: 43. 1973 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum viridipes Dunal -- Prodr. [A. P. de Candolle] 13(1): 234. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum viridipes Dunal -- Prodr. [A. P. de Candolle] 13(1): 234 (-235). 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum viridipes Dunal var. intermedium Hassl. -- Repert. Spec. Nov. Regni Veg. 15: 239. 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum viscidissimum Zoll. & Moritzi -- Natuur- Geneesk. Arch. Ned.-Indië ii. (1845) 571. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum viscidum Schweigg. -- Enum. Pl. Hort. Regiom. 67. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L.

based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum viscosissimum Sendtn. -- Fl. Bras. (Martius) 10: 14. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum viscosissimum Sendtn. -- Fl. Bras. (Martius) 10: 14. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum viscosum Lag. -- Gen. Sp. Pl. [Lagasca] 10. 1816 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum viscosum Moench -- Suppl. Meth. (Moench) 179. 1802 [2 May 1802] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum viscosum Salzm. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 206. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum vitiense Seem. -- J. Bot. 1: 206. 1863 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum vitocense Dunal -- Prodr. [A. Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum xylopiifolium Dunal -- Prodr. [A. P. de Candolle] 13(1): 179. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum xylopiifolium Dunal -- Prodr. [A. P. de Candolle] 13(1): 179. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum xylorhagodes Schrank -- Denkschr. Akad. Muench. vii. (1821) 241 (Quid ?). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum xylostoideum Moric. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 158. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum yabari Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 2: 65, 129. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum yabari Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 65, 129. 1944 [Jun 1944] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum yabari Hawkes var. cuzcoense Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 2: 66, fig. 75. 1944 Without Latin diagnosis as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum yabari var. pepino Hawkes -- Potato Collect. Exped. Mexico & S. Amer., 2, Syst. Classific. Collect. 2: 65, fig. 74. 1944 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum yamobambense Ochoa -- Agronomia (Lima) 27: 367, fig. 1960 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum yamobambense Ochoa -- Agronomia (Lima) xxvii. 367 (1960), reimpr. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum yanamonense S.Knapp -- Brittonia 38(3): 298 (1986). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum yanamonense S.Knapp -- Brittonia 38: 298 (-299), fig. 1986 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum yangambiense De Wild. -- Bull. Jard. Bot. État Bruxelles 4: 402. 1914 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum yapacaniense Kuntze -- Revis. Gen. Pl. 3[3]: 228. 1898 [28 Sep 1898] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum yapacaniense Kuntze -- Revis. Gen. Pl. 3[3]: 228. 1898 [28 Sep 1898] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum yirrkalense Symon -- Journal of the Adelaide Botanic Gardens 4 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum yirrkalense Symon -- J. Adelaide Bot. Gard. 4: 137. 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum yolense Hutch. & Dalziel -- Fl. W. Trop. Afr. [Hutchinson & Dalziel] ii. 205, in clavi, 206 (1931). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum youngii S.Knapp -- Novon 6: 28, fig. 1996 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal

Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum youngii S.Knapp -- Novon 6(1): 28. 1996 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum yucatanum Standl. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 8: 43. 1930 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum yucatanum Standl. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 8: 43. 1930 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum yungasense Hawkes -- Ann. Mag. Nat. Hist. ser. 12, 7: 697, fig. 5-6. 1954 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum yungasense Hawkes -- Ann. Mag. Nat. Hist. ser. 12, 7: 697. 1954 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum zahlbruckneri Bitter -- Repert. Spec. Nov. Regni Veg. 11: 203. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum zahlbruckneri Bitter -- Repert. Spec. Nov. Regni Veg. 11: 203. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum zamorense Bitter -- Bot. Jahrb. Syst. 50(2-3, Beibl. 111): 61. 1913 [19 Aug 1913] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum zamorense Bitter -- Bot. Jahrb. Syst. 50(2-3, Beibl. 111): 61. 1913 [19 Aug 1913] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum zanonii Gouan -- Ill. Observ. Bot. 7. 1773 [Jan-May 1773] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum zanzibarense Vatke -- Linnaea 43: 326. 1882 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum zelenetzkii Pojark. -- Bot. Mater. Gerb. Bot. Inst. Komarova Akad. Nauk S.S.S.R. 17: 336. 1955 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Solanum zeylanicum Blanco -- Fl. Filip. [F.M. Blanco] 136. 1837 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L.

Herb. xxiii. 1284 (1924). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Symonanthus Haegi -- Telopea 2 1981 [21 Aug 1981] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Symonanthus Haegi -- Telopea 2(2): 175, nom. nov. 1981 [21 Aug 1981] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Symonanthus aromaticus (C.A.Gardner) Haegi -- Telopea 2(2): 175. 1981 [21 Aug 1981] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Symonanthus aromaticus (C.A.Gardner) Haegi -- Telopea 2 1981 [21 Aug 1981] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Symonanthus bancroftii (F.Muell.) Haegi -- Telopea 2(2): 175. 1981 [21 Aug 1981] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Symonanthus bancroftii (F.Muell.) Haegi -- Telopea 2 1981 [21 Aug 1981] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Tabacina Rchb. -- Handb. Nat. Pfl.-Syst. 201. 1837 [1-7 Oct 1837] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk

Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Tabacum Gilib. -- Fl. Lit. Inch. i. 39 (1781). 1782 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Tabacum latissimum Bercht. & Opiz -- Oekon.-techn. Fl. Böhm. iii. 309. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Tabacum nicotianum Bercht. & Opiz -- Oekon.-techn. Fl. Böhm. iii. 307. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Tabacum ovatofolium Gilib. -- Fl. Lit. Inch. i. 39. 1782 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Tabacus Moench -- Methodus (Moench) 448 (1794). [4 May 1794] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Tabacus viscidus Moench -- Methodus (Moench) 448 (1794). [4 May 1794] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Teganium Schmidel -- Ic. Pl., ed. Keller 67 (1768); vide Dandy, Ind. Gen. Vasc. Pl. 1753-74 (Regn.Veg. li.) 85 (1967). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Teganium Schmid. -- Ic. Pl. 67. t. 18 (1747). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Teganium procumbens Schmid. -- Ic. Pl. ed. Kell. (1762) 67. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Teremis Raf. -- Sylva Tellur. 53. 1838 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Teremis elliptica Raf. -- Sylva Tellur. 54. 1838 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Teremis turbinata Raf. -- Sylva Tellur. 54. 1838 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Thinogeton Benth. -- Bot. Voy. Sulphur [Bentham] 142. 1845 [14 Apr 1845] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Thinogeton hookeri Andersson as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Thinogeton hookeri Andersson -- Kongl. Vetensk.-Akad. Handl. 1853 (1855) 217. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Thinogeton lobbianum Miers -- Ann. Mag. Nat. Hist. ser. 2, 4(23): 360. 1849 [Nov 1849] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Thinogeton maritimum Benth. -- Bot. Voy. Sulphur [Bentham] 142. 1845 [14 Apr 1845] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Thinogeton maritimum Benth. -- Bot. Voy. Sulphur [Bentham] 142. 1845 [14 Apr 1845] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Thinogeton miersii Miers -- Ann. Mag. Nat. Hist. ser. 2, 4(23): 359. 1849 [Nov 1849] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Trechonaetes Miers -- London J. Bot. 4: 350. 1845 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Trechonaetes bipinnatifida Phil. -- Anales Mus. Nac., Santiago de Chile (1891) 67. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Trechonaetes bipinnatifida Phil. -- Anales Mus. Nac., Santiago de Chile 1891: 67. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Trechonaetes bridgesii Dunal -- Prodr. [A. P. de Candolle] 13(1): 468. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Trechonaetes floribunda Phil. -- Anales Mus. Nac., Santiago de Chile 1891: 66. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Trechonaetes floribunda Phil. -- Anales Mus. Nac., Santiago de Chile (1891) 66. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Trechonaetes laciniata Miers -- London J. Bot. 4: 350. 1845 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Trechonaetes laciniata Miers -- London J. Bot. 4: 350 (-351). 1845 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Trechonaetes lanigera Phil. -- Anales Mus. No. 1, 18 (1962). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania picta Dunal -- Prodr. [A. P. de Candolle] 13(1): 458. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania picta var. parvifolia Dunal -- Prodr. [A. P. de Candolle] 13(1): 459. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania picta var. subnuda Dunal -- Prodr. [A. P. de Candolle] 13(1): 459. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania pogogena Dunal -- Prodr. [A. P. de Candolle] 13(1): 459. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania pogogena var. glabra (Sendtn.) Dunal -- Prodr. [A. P. de Candolle] 13(1): 460. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania pohliana Dunal -- Prodr. [A. P. de Candolle] 13(1): 461. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania pulvinata Dunal -- Prodr. [A. P. de Candolle] 13(1): 457. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania pyrifolia Dunal -- Prodr. [A. P. de Candolle] 13(1): 461. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania qaraitica A.G.Mill. & Biagi -- Notes Roy. Bot. Gard. Edinburgh 45(1): 68. 1988 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania ramosa Dunal -- Prodr. [A. P. de Candolle] 13(1): 456. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania reichenbachii Bitter -- Bot. Jahrb. Syst. 54(4): 345. 1917 [13 Mar 1917] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania riebeckii Schweinf. ex Balf.f. -- in Proc. Roy. Soc. Edinb. xii. (1884) 83. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania schottiana Dunal -- Prodr. [A. P. de Candolle] 13(1): 461. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania sicula Lojac. -- Fl. Sicul. (Lojacono) 2(2): 107. 1907 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania simonyaua R.Wagner ex Vierh. -- Denkschr. Kaiserl. Akad. Wiss., Wien. Math.-Naturwiss. Kl. lxxi. 442 (1907). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine

Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania sinensis (Hemsl.) Hunz. -- Lorentzia 8: 7 (1995):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania sinica (Kuang & A.M.Lu) Hunz. -- Lorentzia 8: 7 (1995):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania somnifera (L.) Dunal -- Prodromus 13(1) 1852 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania somnifera (L.) Dunal -- Prodr. [A. P. de Candolle] 13(1): 453. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania somnifera (L.) Dunal subsp. obtusifolia (Tackh.) Abedin, Al-Yahya, Chaudhary & J.S.Mossa -- Pakistan J. Bot. 23(2): 280 (1991):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania sordida Dunal -- Prodr. [A. P. de Candolle] 13(1): 456. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania sphaerocarpa Hepper & Boulos -- Kew Bull. 43(1): 123. 1988 [28 Mar 1988] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania sphaerocarpa Hepper & Boulos var. grisea Hepper & Boulos -- Kew Bull. 43(1): 123. 1988 [28 Mar 1988] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania suberosa Endl. -- Gen. Pl. [Endlicher] 666. 1839 [Jan 1839] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania subtriflora Dunal -- Prodr. [A. P. de Candolle] 13(1): 455. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania subtriflora (Ruiz & Pav.) Dunal -- Prodr. [A. P. de Candolle] 13(1): 455. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania villosa Pauq. -- Diss. Bellad. (1824) 15. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania xalapensis Dunal -- Prodr. [A. P. de Candolle] 13(1): 455. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Withania yunnanensis (Kuang & A.M.Lu) Hunz. -- Lorentzia 8: 8 (1995):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witharia Rchb. -- Consp. Regn. Veg. [H.G.L.Reichenbach] 126, sphalm. 1828 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia Miers -- Ann. Mag. Nat. Hist. ser. 2, 3(14): 145. 1849 [Feb 1849] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia L'Hér. -- Sert. Angl. 1, 33. t. 1 (1788). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia acuminata Dunal -- Prodr. [A. P. de Candolle] 13(1): 403. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia acutifolia Miers -- Ann. Mag. Nat. Hist. ser. 2, 11(62): 92. 1853 [Feb 1853] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia affinis (C.V.Morton) Hunz. -- Kurtziana v. 162 (1969). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia affinis (C.V.Morton) Hunz. -- Kurtziana 5: 162. 1969 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia alata Miers -- Ann. Mag. Nat. Hist. ser. 2, 11(62): 92. 1853 [Feb 1853] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia allogona Miers -- Ann. Mag. Nat. Hist. ser. 2, 11(62): 92. 1853 [Feb 1853] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia angustifolia Dunal -- Syn. Solan. 2; H. B. & K. Nov. Gen. et Sp. iii. 17. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia anonacea Miers -- Ann. Mag. Nat. Hist. ser. 2, 3(14): 146. 1849 [Feb 1849] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia aspera Spreng. -- Neue Entdeck. Pflanzenk. 1: 266. 1820 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia asterotricha (Standl.) Hunz. -- Kurtziana 5: 151. 1969 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia asterotricha (Standl.) Hunz. -- Kurtziana v. 151 (1969). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia auriculata Miers -- Ann. Mag. Nat. Hist. ser. 2, 11(62): 92. 1853 [Feb 1853] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia auriculata (Miers) Miers -- Ann. Mag. Nat. Hist. ser. 2, 11(62): 92. 1853 [Feb 1853] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia berteroana Remy as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia berteroana J.Rémy in Gay -- Fl. Chil. [Gay] 5: 65. 1849 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L.

based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia berteroana J.Rémy -- Fl. Chil. [Gay] 5(1): 65. 1849 [late 1849] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia berteroana J.Rémy in Gay as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia biflora Miers -- Ann. Mag. Nat. Hist. ser. 2, 11(62): 92. 1853 [Feb 1853] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia bristaniana D'Arcy -- Ann. Missouri Bot. Gard. 60: 763. 1974 [1973 publ. 1974] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia bristaniana D'Arcy -- Ann. Missouri Bot. Gard. 60(3): 763. 1974 [1973 publ. 1974] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia candollei Miers -- Ann. Mag. Nat. Hist. ser. 2, 11(62): 92. 1853 [Feb 1853] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia capsicoides Mart. ex Colla -- Herb. Pedem. iv. 277 (1835), in obs. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia chenopodioides (Lam.) J.Rémy -- Fl. Chil. [Gay] 5: 69. 1849 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia ciliata Kunth as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia ciliata Miers -- Ann. Mag. Nat. Hist. ser. 2, 11(62): 92. 1853 [Feb 1853] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia ciliata Kunth -- Nov. Gen. Sp. [H.B.K.] iii. 15. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia coccoloboides (Dammer) Hunz. -- Kurtziana 5: 132. 1969 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia coccoloboides (Dammer) Hunz. -- Kurtziana v. 132 (1969). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia

Purified Witheringia macrantha (Standl. & C.V.Morton) Hunz. -- Kurtziana v. 114 (1969). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia macrantha (Standl. & C.V.Morton) Hunz. -- Kurtziana 5: 114. 1969 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia macrophylla Dunal as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia macrophylla Dunal -- Syn. Solan. 1; H. B. & K. Nov. Gen. et Sp. iii. 14. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia macrophylla Kunth as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia maculata (C.V.Morton & Standl.) Hunz. -- Kurtziana v. 117 (1969). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia maculata (C.V.Morton & Standl.) Hunz. -- Kurtziana 5: 117. 1969 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia maritima (Meyen ex Nees) J.Rémy -- Fl. Chil. [Gay] 5: 72. 1849 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia martiana Miers -- Ann. Mag. Nat. Hist. ser. 2, 3(14): 146. 1849 [Feb 1849] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination

with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia meiantha (Donn.Sm.) Hunz. -- Kurtziana 5: 147. 1969 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia meiantha (Donn.Sm.) Hunz. -- Kurtziana v. 147 (1969). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia menziesii Dunal -- Prodr. [A. P. de Candolle] 13(1): 159. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia mexicana (B.L.Rob.) Hunz. -- Kurtziana 5: 131. 1969 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia mexicana (B.L.Rob.) Hunz. -- Kurtziana v. 131 (1969). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia micrantha Miers -- Ann. Mag. Nat. Hist. ser. 2, 3(14): 145. 1849 [Feb 1849] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia microphylla Griseb. -- Berberid. Amer. Austral. 58. 1857 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia mollis Dunal -- Prodr. [A. P. de Candolle] 13(1): 459. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia mollis Kunth -- Nov. Gen. Sp. [H.B.K.] iii. 15. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia montana Dunal -- Syn. Solan. 24. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia morii D'Arcy -- Ann. Missouri Bot. Gard. 63(2): 368. 1977 [1976 publ. 1977] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia morii D'Arcy -- Ann. Missouri Bot. Gard. 63: 368 (-369). 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia mortonii Hunz. -- Kurtziana 5: 123, fig. 4. 1969 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk

Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia mortonii Hunz. -- Kurtziana v. 123 (1969). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia multifida Dunal -- Solan. Syn. 3. 1816 [Oct 1816] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia nelsonii (Fernald) Hunz. -- Kurtziana v. 160 (1969). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia nelsonii (Fernald) Hunz. -- Kurtziana 5: 160. 1969 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia pendula Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 3: 522. 1818 [Apr-Jul 1818] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia phyllantha Dunal -- Syn. Solan. 2. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia physocalycia (Donn.Sm.) J.L.Gentry as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia physocalycia (Donn.Sm.) J.L.Gentry -- Phytologia 26(4): 278. 1973 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia tomentosa J.Rémy -- Fl. Chil. [Gay] 5: 71. 1849 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk

Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia tomentosa J.Rémy as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia umbellata Dunal -- Syn. Solan. 2. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia umbellata Miers -- Ann. Mag. Nat. Hist. ser. 2, 11(62): 92. 1853 [Feb 1853] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia umbellata Dunal as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia vestita (Miers) Miers -- Ann. Mag. Nat. Hist. ser. 2, 11(62): 92. 1853 [Feb 1853] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia vestita Miers -- Ann. Mag. Nat. Hist. ser. 2, 11(62): 92. 1853 [Feb 1853] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia villosa Miers -- Ann. Mag. Nat. Hist. ser. 2, 11(62): 92. 1853 [Feb 1853] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia viscosa Miers -- Ann. Mag. Nat. Hist. ser. 2, 11(62): 92. 1853 [Feb 1853] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia wurdackiana Benítez -- BioLlania, Ed. Espec. 6: 247. 1997 ; J.J. Wurdack Festschr. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia wurdackiana Benítez -- BioLlania, Ed. Espec. 6: 247, fig. 1997 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Witheringia zuccagniana Miers -- Ann. Mag. Nat. Hist. ser. 2, 11(62): 92. 1853 [Feb 1853] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Zwingera Hofer -- in Act. Helvet. v. 267 (1762); vide Dandy, Ind. Gen. Vasc. Pl. 1753-74 (Regn.Veg. li.) 91 (1967). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Folk Rice land races (Dendrobium denneanum Kerr and Epipogium aphyllum Swartz enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Acnistus Schott -- Wiener Z. Kunst 1829(4): 1180. [28 Nov 1829] ; ex Endl. in Linnaea 6(Lit.): 54. 1831. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don)

Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Acnistus achalensis Hieron. ex Seckt -- Fl. Cordob. (Rev. Univ. Nac. Cordoba, xvi-xvii.) 439 (1929-30), in syn. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Acnistus aggregatus Miers -- London J. Bot. 4: 341. 1845 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Acnistus arborescens Schltdl. -- Linnaea 7: 67. 1832 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Acnistus australis (Griseb.) Griseb. -- Symb. Fl. Argent. 247 (1879). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Acnistus australis var. grandiflorus Griseb. -- Abh. Königl. Ges. Wiss. Göttingen 24: 247. 1879 Symb. Fl. argent as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Acnistus benthamii Miers -- London J. Bot. 4: 342. 1845 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Acnistus bornmuelleri Dammer -- Repert. Spec. Nov. Regni Veg. 15: 391. 1919 , as 'bornmülleri' as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Acnistus bornmuelleri Dammer -- Repert. Spec. Nov. Regni Veg. 15: 391. 1919 , as 'bornmülleri' as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Acnistus breviflorus Sendtn. & Mart. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Acnistus breviflorus Sendtn. -- Fl. Bras. (Martius) 10: 152. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Acnistus breviflorus Sendtn. in Mart. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Acnistus breviflorus var. glabratus Sendtn. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Acnistus breviflorus var. glabratus Sendtn. -- Fl. Bras. (Martius) 10: 152. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in

combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Acnistus breviflorus f. glabratus Hassl. -- Repert. Spec. Nov. Regni Veg. 15: 242. 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Acnistus breviflorus f. indutus Hassl. -- Repert. Spec. Nov. Regni Veg. 15: 242. 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Acnistus breviflorus subsp. pubescens Hassl. -- Repert. Spec. Nov. Regni Veg. 15: 242. 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Acnistus breviflorus Sendtn. var. spinescens Sendtn. -- Fl. Bras. (Martius) 10: 152. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Acnistus breviflorus subsp. tomentosus Hassl. -- Repert. Spec. Nov. Regni Veg. 15: 242. 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Acnistus campanulatus (Lam.) Merr. -- J. Arnold Arbor. xxix. 213 (1948). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Acnistus campanulatus (Lam.) Merr. -- J. Arnold Arbor. 29: 213. 1948 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Acnistus cauliflorus Schott -- Wiener Z. Kunst 1829(4): 1180. [28 Nov 1829] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis sect. Euanthocercis Benth. -- Flora Australiensis 4 1868 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis albicans A.Cunn. -- Geogr. Mem. New South Wales [Field] 335, t. 2. 1825 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis albicans A.Cunn. -- Geographical Memoires on New South Wales 1825 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination

with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis albicans var. albicans A.Cunn. -- Prodromus 10 1846 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis albicans var. tomentosa Benth. -- Prodromus 10 1846 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis amblyantha F.Muell. -- Fragmenta Phytographiae Australiae 1 1858 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis amblyantha F.Muell. -- Fragm. (Mueller) 1(7): 179. 1859 [Sep 1859] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis angustifolia F.Muell. -- in Trans. Phil. Soc. Vict. i. (1855) 21. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis angustifolia F.Muell. -- Transactions of the Philosophical Society of Victoria 1 1854 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis anisantha Endl. -- Stirpium Australasicarum Herbarii Hugeliani Decades III 1838 = Annalen des Wiener Museums der Naturgeschichte 2 "Dec. 1838" (1839) 201 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis × anisantha Endl. -- Stirp. Australasic. (Ann. Wien. Mus. ii. 201: 1839) 13 (1838). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis anisantha Endl. -- Ann. Wiener Mus. Naturgesch. ii. (1838) 201. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis anisantha subsp. anisantha Endl. -- Telopea 2 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis anisantha Endl. subsp. collina Haegi -- Telopea 2(2): 174. 1981 [21 Aug 1981] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis anisantha subsp. collina Haegi -- Telopea 2 1981 [21 Aug 1981] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis anthocercidea (F.Muell.) Druce -- The Botanical Exchange Club and Society of the British Isles Report for 1916, Suppl. 2 1917 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis anthocercidea Druce -- Rep. Bot. Soc. Exch. Club Brit. Isles 4(Suppl. 2): 605. 1917 [Jul 1917] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis arborea F.Muell. -- Fragm. (Mueller) 1(9): 212. 1859 [Dec 1859] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis arborea F.Muell. -- Fragmenta Phytographiae Australiae 1 1858 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis aromatica C.A.Gardner -- Hooker's Icones Plantarum ser. 5 4(1) 1936 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis aromatica C.A.Gardner -- Enum. Pl. Austral. Occ. 116, nomen. 1931 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis aromatica C.A.Gardner -- Hooker's Icon. Pl. 34: t. 3382. 1939 [Mar 1939] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination

with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis eadesii F.Muell. -- Fragmenta Phytographiae Australiae 2 1861 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis eadesii F.Muell. -- Fragm. (Mueller) 2(15): 139. 1861 [Feb 1861] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis fasciculata F.Muell. -- Fragmenta Phytographiae Australiae 1 1858 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis fasciculata F.Muell. -- Fragm. (Mueller) 1(5): 122. 1859 [Apr 1859] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis frondosa (Miers) J.M.Black -- Flora of South Australia 3 1986 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis frondosa J.M.Black -- Fl. S. Austral. 504 (1926). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis genistifolia Gand. -- Bulletin de la Soci?t? Botanique de France 65 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis genistifolia Gand. -- Bull. Soc. Bot. France 65: 69, in clavi. 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis genistoides Miers -- The Annals and Magazine of Natural History ser. 2, 11 1853 = Illustrations of South American Plants 2 (1857) 28 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis genistoides Miers -- Illustr. S. Am. Pl. ii. App. 27. t. 83 D. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis glabella Miers -- Illustr. S. Am. Pl. ii. App. 27. t. 83 D. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis glabella Miers -- The Annals and Magazine of Natural History ser. 2, 11 1853 = Illustrations of South American Plants 2 (1857) 26 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis gracilis Benth. -- Prodromus 10 1846 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis gracilis Benth. -- Prodr. [A. P. de Candolle] 10: 192. 1846 [8 Apr 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis hopwoodii F.Muell. -- Fragm. (Mueller) 2(15): 138. 1861 [Feb 1861] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis hopwoodii F.Muell. -- Fragmenta Phytographiae Australiae 2 1861 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis ilicifolia Hook. -- Curtis's Botanical Magazine 57 1830 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis ilicifolia Hook. -- Bot. Mag. 57: sub t. 2961. 1830 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis ilicifolia Hook. subsp. caldariola Haegi -- Telopea 2(2): 174. 1981 [21 Aug 1981] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don)

Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis ilicifolia subsp. caldariola Haegi -- Telopea 2 1981 [21 Aug 1981] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis ilicifolia subsp. ilicifolia Hook. -- Telopea 2 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis intricata F.Muell. -- Fragmenta Phytographiae Australiae 1 1858 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis intricata F.Muell. -- Fragm. (Mueller) 1(9): 211. 1859 [Dec 1859] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis leichhardtii F.Muell. -- Fragm. (Mueller) 6(45): 142. 1868 [Mar 1868] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis leichhardtii F.Muell. -- Fragmenta Phytographiae Australiae 6 1868 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis littorea Endl. -- Iconogr. Gen. Pl. 6: t. 68. 1839 [Jan-Feb 1839] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis littorea Labill. -- Novae Hollandiae Plantarum Specimen 2 1806 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis littorea Labill. -- Pl. N. Holl. ii. 19. I. 158. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis microphylla F.Muell. -- Fragm. (Mueller) 1(7): 179. 1859 [Sep 1859] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis microphylla F.Muell. -- Fragmenta Phytographiae Australiae 1 1858 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis myosotidea F.Muell. -- in Trans. Phil. Soc. Vict. i. (1855) 20. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis myosotidea F.Muell. -- Transactions of the Philosophical Society of Victoria 1 1854 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don)

Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis odgersii F.Muell. -- Fragm. (Mueller) 10(81): 19. 1876 [Jan 1876] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis odgersii F.Muell. -- Fragmenta Phytographiae Australiae 10 1877 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis racemosa F.Muell. -- Fragmenta Phytographiae Australiae 1 1858 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis racemosa F.Muell. -- Fragm. (Mueller) 1(9): 211. 1859 [Dec 1859] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis scabrella Benth. -- Prodr. [A. P. de Candolle] 10: 192. 1846 [8 Apr 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis scabrella Benth. -- Prodromus 10 1846 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis spinescens F.Muell. -- Fragmenta Phytographiae Australiae 1 1858 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis spinescens F.Muell. -- Fragm. (Mueller) 1(5): 122. 1859 [Apr 1859] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis sylvicola T.D.Macfarl. & Ward.-Johnson -- Nuytsia 11(1): 71 (1996). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis tasmanica Hook.f. -- Fl. Tasm. i. 289. t. 92. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis tasmanica (Miers) Hook.f. -- Flora Tasmaniae 1 1857 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis tasmanica (Miers) Hook.f. -- - as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis tenuipes Gand. -- Bulletin de la Soci?t? Botanique de France 65 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis tenuipes Gand. -- Bull. Soc. Bot. France 65: 69, in clavi. 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis truncata Ising -- Transactions and Proceedings of the Royal Society of South Australia 46 1922 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis viscosa R.Br. -- Prodromus Florae Novae Hollandiae 1810 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis viscosa R.Br. -- Prodr. Fl. Nov. Holland. 448. 1810 [27 Mar 1810] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis viscosa var. baueriana Benth. -- Prodromus 10 1846 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis viscosa R.Br. subsp. caudata Haegi -- Telopea 2(2): 175. 1981 [21 Aug 1981] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis viscosa subsp. caudata Haegi -- Telopea 2 1981 [21 Aug 1981] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis viscosa subsp. viscosa R.Br. -- Telopea 2 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthocercis viscosa var. viscosa R.Br. -- Prodromus 10 1846 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthoceris Steud. -- Nomenclator Botanicus 1 1821 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthotroche Endl. -- Nov. Stirp. Dec. 6 (1839). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthotroche Endl. -- Novarum Stirpium Decades 1 1839 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthotroche blackii F.Muell. -- Fragmenta Phytographiae Australiae 8 1874 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian

Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthotroche blackii F.Muell. -- Fragm. (Mueller) 8(69): 232. 1874 [Sep 1874] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthotroche healeana F.Muell. -- in Vict. Natur. viii. (Feb. 1891) 153; et in Bot. Centralbl. xlv. (1891) 385. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthotroche healiana F.Muell. -- Vict. Naturalist 7 1890 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthotroche myoporoides C.A.Gardner -- Journal of the Royal Society of Western Australia 27 1942 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthotroche myoporoides C.A.Gardner -- J. Roy. Soc. Western Australia xxvii. 191 (1942). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthotroche pannosa Endl. -- Novarum Stirpium Decades 1 1839 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthotroche pannosa Endl. -- Nov. Stirp. Dec. 7. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Anthotroche truncata Ising -- Transactions and Proceedings of the Royal Society of South Australia 46 1922 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Jahresb. 1911, xxxix II. 304. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Bassovia wettsteiniana Witasek -- Denkschr. Kaiserl. Akad. Wiss., Wien. Math.-Naturwiss. Kl. 79: 323, fig. 6(1). 1910 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Bassovia wettsteiniana Witasek -- Denkschr. Kaiserl. Akad. Wiss., Wien. Math.-Naturwiss. Kl. 79: 323, fig. 6a-d. 1910 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Battata Hill -- Veg. Syst. ix. 32 (1765); vide Dandy, Ind. Gen. Vasc. Pl. 1753-74 (Regn. Veg.li.) 31 (1967). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Battata Hill -- Hort. Kew. 148 (1768). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal

Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Battata tuberosa (L.) Hill -- Hort. Kew. 148. ; nom. inval. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Battata tuberosa (L.) Hill ex B.D.Jacks. -- Index Kew. 1: 279. 1890 ; nom. inval.

Purified Belenia Decne. -- Voy. Inde [Jacquemont] 4(Bot.): 113, t. 120. [Apr 1835 - Dec 1844] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Belenia praealta Decne. -- Voy. Inde [Jacquemont] 4(Bot.): 114, t. 120. [Apr 1835 - Dec 1844] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Belladona Adans. -- Fam. Pl. (Adanson) 2: 219. 1763 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Belladona Mill. -- Gard. Dict. Abr., ed. 4. (1754); vide Dandy, Ind. Gen. Vasc. Pl. 1753-74(Regn. Veg. 51) 31 (1967). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Belladonna Ruppius -- Fl. Jen. ed. Hall. 252 (1745). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races

(Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Belladonna Mill. -- Gard. Dict. Abr., ed. 4. (1754); Druce in Rep. Bot. Exch. Cl. Brit. Isles, 3: 429 (1913). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Belladonna baccifera Lam. -- Fl. Franç. (Lamarck) 2: 255. 1779 [1778 publ. after 21 Mar 1779] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Belladonna peruviana Hort.Par. ex Adans. -- Fam. Pl. (Adanson) 2: 219. 1763 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Belladonna trichotoma Scop. -- Fl. Carniol., ed. 2. 1: 160. 1771 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Bellinia Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: p. lvi. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Bellinia biflora Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 689. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Bellinia contorta Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 689. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Bellinia contorta (Ruiz & Pav.) Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 689. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Bellinia dentata (Ruiz & Pav.) Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 689. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Bellinia dentata Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 689. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Bellinia micrantha Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 690. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Bellinia peruviana Steud. -- Nomencl. Bot. [Steudel] 105. 1821 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Purified Benthamiella nordenskioldii Dusén ex N.E.Br. -- Hooker's Icon. Pl. 27(2): t. 2636A. 1900 [May 1900] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Benthamiella patagonica Speg. -- Anales Soc. Ci. Argent. xv. (1883) 110. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Benthamiella patagonica Speg. -- Nat. Pflanzenfam. [Engler & Prantl] iv. 3b. (1891) 38. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Benthamiella pycnophylloides Speg. -- Revista Fac. Agron. Univ. Nac. La Plata 3: 556. 1897 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Benthamiella pycnophylloides Speg. -- Revista Fac. Agron. Univ. Nac. La Plata 1897, 556. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Benthamiella skottsbergii A.Soriano -- Darwiniana 8: 256, fig. 4 I-M, 9H. 1948 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Benthamiella skottsbergii Soriano -- Darwiniana viii. 256 (1948). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Benthamiella sorianoi S.C.Arroyo -- Bot. Not. 133: 69 (-71), fig. 1980 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Benthamiella sorianoi S.Arroyo -- Bot. Not. 133(1): 69. 1980 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Benthamiella spegazziniana Soriano as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Benthamiella spegazziniana Soriano -- Darwiniana viii. 257 (1948). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Blenocoes Raf. -- Fl. Tellur. 3: 75. 1837 [1836 publ. Nov-Dec 1837] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Blenocoes filicaulis Raf. -- Fl. Tellur. 3: 76. 1837 [1836 publ. Nov-Dec 1837] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination

with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Blenocoes longiflora Raf. -- Fl. Tellur. 3: 76. 1837 [1836 publ. Nov-Dec 1837] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Boberella E.H.L.Krause -- Deutschl. Fl. (Sturm), ed. 2. 10: 54, genus aggreg. 1903 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Boberella E.H.L.Krause -- Deutschl. Fl. (Sturm), ed. 2. 10: 54. 1903 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Boberella alkekengi E.H.L.Krause -- Deutschl. Fl. (Sturm), ed. 2. 10: 59. 1903 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Boberella angulata (L.) E.H.L.Krause -- Deutschl. Fl. (Sturm), ed. 2. 10: 61. 1903 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Boberella angulata E.H.L.Krause -- Deutschl. Fl. (Sturm), ed. 2. 10: 61. 1903 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Boberella belladonna E.H.L.Krause -- Deutschl. Fl. (Sturm), ed. 2. 10: 57. 1903 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Boberella halimifolia E.H.L.Krause -- Deutschl. Fl. (Sturm), ed. 2. 10: 55. 1903 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Boberella lanceolata (Michx.) Krause as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Boberella lanceolata E.H.L.Krause -- Deutschl. Fl. Purified Brachistus coccineus Rusby -- Bull. New York Bot. Gard. 8: 117. 1912 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brachistus coccineus Rusby -- Bull. New York Bot. Gard. viii. 117 (1912). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brachistus cuspidatus (Dunal) Werderm. & Diels as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brachistus dimorphus Miers as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brachistus dimorphus Miers -- Ann. Mag. Nat. Hist. ser. 2, 3(16): 267. 1849 [Apr 1849] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brachistus diversifolius Miers -- Ann. Mag. Nat. Hist. ser. 2, 3(16): 268. 1849 [Apr 1849] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brachistus dumetorum Miers -- Ann. Mag. Nat. Hist. ser. 2, 3(16): 265. 1849 [Apr 1849] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brachistus escuintlensis J.M.Coult. -- Bot. Gaz. 16: 144. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black

Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brachistus escuintlensis J.M.Coult. -- in J. D. Smith, Pl. Guat. ii. (1891) 53; et Bot. Gaz. xvi. (1891) 144. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brachistus fasciculatus Rusby -- Bull. New York Bot. Gard. 4: 423. 1907 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brachistus fasciculatus Rusby -- Bull. New York Bot. Gard. iv. 423 (1907). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brachistus feddei Reinecke -- Bot. Jahrb. Syst. 25(5): 674. 1898 [23 Dec 1898] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brachistus fendleri Rusby -- Bull. New York Bot. Gard. iv. 470 (1907). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brachistus fendleri Rusby -- Bull. New York Bot. Gard. 4: 470. 1907 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brachistus fuscoviolaceus Cufod. -- Archiv. Bot., Forli 1934, x. 44. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brachistus fuscoviolaceus Cufod. -- Arch. Bot. Sist. 10: 44. 1934 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brachistus fuscoviolaceus Cufod. -- Arch. Bot. Sist. 10(1): 20. 1934 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Bot. vi. 61 (1914). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Browallia mionei S.Leiva & Tantalean -- Arnaldoa 24(2): 416. 2017 [15 Dec 2017] [epublished]

Purified Browallia mirabilis S.Leiva -- Arnaldoa 3(2): 14. 1996 [1995 publ. 1996] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Browallia mirabilis S.Leiva -- Arnaldoa 3(2): 14, fig. 1996 [1995 publ. 1996] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Browallia nervosa Miers -- Ann. Mag. Nat. Hist. ser. 2, 5(27): 206. 1850 [Mar 1850] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Browallia peduncularis Benth. -- Bot. Voy. Sulphur [Bentham] 143. 1845 [14 Apr 1845] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Browallia pulchella Lehm. -- in Hamb. Gartenz. x. (1854) 375. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Browallia pulchella hort. ex E.Vilm. -- Fl. Pleine Terre (edition 3) 176. 1870 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Browallia roezlii G.Nicholson -- Ill. Dict. Gard. i. 214 (1884). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Browallia salpoana S.Leiva -- Arnaldoa 20(1): 61. 2014 [2013 publ. Nov 2014]

Purified Browallia sandrae S.Leiva, Farruggia & Tepe -- Arnaldoa 17(2): 156. 2011 [2010 publ. Apr 2011]

Purified Browallia speciosa Hook. -- Bot. Mag. 73: t. 4339. 1847 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Browallia tenella Miers -- Ann. Mag. Nat. Hist. ser. 2, 5(27): 205. 1850 [Mar 1850] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Browallia termophylla S.Leiva, Tantalean & Peláez -- Arnaldoa 23(2): 418. 2016 [Dec 2016] [epublished]

Purified Browallia texana Torr. -- Rep. U.S. Mex. Bound., Bot. [Emory] 156. 1858 [Jul-Dec 1858] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Browallia texana Torr. -- Rep. U.S. Mex. Bound., Bot. [Emory] 156. 1859 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Browallia viscosa Kunth -- Nov. Gen. Sp. [H.B.K.] 2: 373. 1818 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia Pers. -- Syn. Pl. [Persoon] 1: 216. 1805 [1 Apr-15 Jun 1805] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia sect. Sphaerocarpum J.M.H.Shaw -- New Plantsman 6(3): 148. 1999 [Sep 1999] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia affinis (Saff.) Moldenke -- Boissiera Fasc. 7, 1 (1943). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia affinis (Saff.) Moldenke -- Boissiera 7: [1]. 1943 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia albidoflava (Lem.) Verschaff. ex Bosse -- Vollst. Handb. Bl.-gärtn., ed. 3 1: 521. 1859

Purified Brugmansia amesiana (R.E.Schult.) D'Arcy -- Purified Newslett. 2(4): 17. 1986 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia amesiana (R.E.Schult.) D'Arcy -- Purified Newslett. 2(4): 17. 1986 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia amesianum (R.E.Schult.) D'Arcy -- Purified Newsl. 2(4): 17 (1986):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia arborea Steud. -- Nomencl. Bot. [Steudel], ed. 2. 1: 230. ; nom. inval. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia arborea (L.) Sweet -- Hort. Suburb. Lond. 41. 1818 [Jun-Jul 1818]

Purified Brugmansia arborea (L.) Lagerh. -- Bot. Jahrb. Syst. 20(5): 663, tab. 11, fig. 1. 1895 [28 Jun 1895] ; isonym as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia arbuscula Bosse -- Neue Allg. Deutsche Garten- Blumenzeitung 2: 192. 1846

Purified Brugmansia aurantiaca hort. ex Walp. -- Repert. Bot. Syst. (Walpers) iii. 934. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia aurea Lagerh. -- Gartenflora (1893) 33. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia aurea Lagerh. -- Gartenflora 42: 33. 1893 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based

Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia bicolor Pers. -- Syn. Pl. [Persoon] 1: 216. 1805 [1 Apr-15 Jun 1805] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia candida Pers. -- Syn. Pl. [Persoon] 1: 216. 1805 [1 Apr-15 Jun 1805] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia parviflora hort. ex Walp. -- Repert. Bot. Syst. (Walpers) iii. 934. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia pittieri (Saff.) Moldenke -- Boissiera 7: [1]. 1943 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia pittieri (Saff.) Moldenke -- Boissiera Fasc. 7, 1 (1943). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black

Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia rubella (Saff.) Moldenke -- Boissiera Fasc. 7, 2 (1943). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia rubella (Saff.) Moldenke -- Boissiera 7: 2. 1943 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia sanguinea D.Don -- in Sweet, Brit. Flow. Gard. Ser. II. t. 272. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia sanguinea D.Don subsp. vulcanicola (A.S.Barclay) Lockwood ex J.M.H.Shaw -- see R. Govaerts, World Checklist Seed Plants 2(1–2): 13 (1996):. 1998 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia sanguinea D.Don subsp. vulcanicola (A.S.Barclay) Govaerts -- World Checkl. Seed Pl. 2(1–2): 13 (1996):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia sanguinea subsp. vulcanicola (A.S.Barclay) Govaerts -- World Checkl. Seed Pl. 2(1): 13. 1996 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs)

when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia sanguinea D.Don subsp. vulcanicola (A.S.Barclay) Lockwood ex J.M.H.Shaw -- New Plantsman 5(1): 56 (1998), isonym;. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia suaveolens (Willd.) Bercht. & J.Presl -- Prir. Rostlin Aneb. Rostl. 1: Solaneac. 45. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia suaveolens (Willd.) Bercht. & J.Presl -- Prir. Rostlin Aneb. Rostl. 1: 45. 1823 ; isonym as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia suaveolens (Willd.) Sweet -- Hort. Suburb. Lond. 41. 1818 [Jun-Jul 1818]

Purified Brugmansia versicolor Lagerh. -- Bot. Jahrb. Syst. 20(5): 666. 1895 [28 Jun 1895] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia versicolor Lagerh. -- Bot. Jahrb. Syst. 20(5): 666, pl. 11. 1895 [28 Jun 1895] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia vulcanicola (A.S.Barclay) R.E.Schult. -- Bot. Mus. Leafl. 25(6): 154. 1977 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination

with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia vulcanicola (A.S.Barclay) R.E.Schult. -- Bot. Mus. Leafl. 25(6): 154. 1977 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brugmansia waymanni Paxton -- Mag. Bot. iv. 241. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia L. -- Sp. Pl. 1: 191. 1753 [1 May 1753] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia sect. Guianenses Plowman -- Bot. J. Linn. Soc. 76(4): 294. 1978 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia abbottii Leonard -- J. Wash. Acad. Sci. 17: 71. 1927 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia abbottii Leonard -- J. Wash. Acad. Sci. 1927, xvii. 71. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia acuminata Benth. -- Prodr. [A. P. de Candolle] 10: 199. 1846 [8 Apr 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia acuminata (Pohl) Benth. -- Prodr. [A. P. de Candolle] 10: 199. 1846 [8 Apr 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia acuminata (Pohl) Benth. f. ramosissima (Benth. ex DC.) Voss as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia acuminata f. ramosissima (Benth. ex DC.) Voss in Vilm. -- Vilm. Blumengärtn., ed. 3. 1: 743. 1894 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia acunae Hadač -- Folia Geobot. Phytotax. 5: 429. 1970 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia acunae Hadač -- Folia Geobot. Phytotax. 5: 429. 1970 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia amazonica C.V.Morton -- Proc. Biol. Soc. Washington lxii. 151. 1949 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia amazonica C.V.Morton -- Proc. Biol. Soc. Washington 62: 151. 1949 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia americana L. -- Sp. Pl. 1: 191. 1753 [1 May 1753] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia americana L. -- Sp. Pl. 1: 191. 1753 [1 May 1753] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia americana var. pubescens Griseb. -- Fl. Brit. W.I. [Grisebach] 432. 1862 [prob. May 1862] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia augusta hort. ex Gentil -- Pl. Cult. Serres Jard. Bot. Brux. 40 (1907). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia australis Benth. -- Prodr. [A. P. de Candolle] 10: 200. 1846 [8 Apr 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia australis Benth. -- Prodr. [A. P. de Candolle] 10: 200. 1846 [8 Apr 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia bahiensis A.DC. -- Prodr. [A. P. de Candolle] 10: 590. 1846 [8 Apr 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia boliviana Plowman -- Fieldiana, Bot. n.s., 8: 1 (-2), fig. 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia boliviana Plowman -- Fieldiana, Bot. n.s., 8: 1. 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia bonodora (Vell.) J.F.Macbr. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 8: 112. 1930 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia bonodora J.F.Macbr. -- Publ. Field Mus. Nat. Hist., Bot. Purified Brunfelsia latifolia hort. ex Steud. -- Nomencl. Bot. [Steudel], ed. 2. i. 231. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia lindeniana (Planch.) G.Nicholson -- Ill. Dict. Gard. 1: 216. 1884 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia lindeniana hort. -- ex Cat. Pl. Jard. Aclim. Orotava 33 (1923), nomen. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia lindeniana (Planch.) N.E.Br. -- Suppl. Johnson's Gard. Dict. 886 (1882):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia linearis Ekman ex Urb. -- Repert. Spec. Nov. Regni Veg. 21: 223. 1925 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia linearis Ekman -- Repert. Spec. Nov. Regni Veg. 21: 223. 1925 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia lockhartii Hort.Belg. ex Heynh. -- Alph. Aufz. Gew. 79, nomen. 1846 ; Zweiter Band of Nomencl. Bot. Hort. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia longiflora Regel -- Cat. Pl. Hort. Aksakov. 21. 1860 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia longituba Lem. -- Jard. Fleur. iv. (1854) Misc. 61. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia macrocarpa Plowman -- Bot. Mus. Leafl. 23(6): 251, pl. XVI. 1973 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia macrocarpa Plowman -- Bot. Mus. Leafl. 23(6): 251. 1973 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia macroloba Urb. -- Symb. Antill. (Urban). 9(2): 252. 1924 [15 Mar 1924] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia macroloba Urb. -- Symb. Antill. (Urban). 9(2): 252. 1924 [15 Mar 1924] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia macrophylla Benth. -- Prodr. [A. P. de Candolle] 10: 198. 1846 [8 Apr 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia magnifica hort. ex Gentil -- Pl. Cult. Serres Jard. Bot. Brux. 40 (1907), nomen. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia maliformis Urb. -- Symb. Antill. (Urban). 3(3): 372. 1903 [1 May 1903] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia maliformis Urb. -- Symb. Antill. (Urban). 3(3): 372. 1903 [1 May 1903] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia maritima Benth. -- Prodr. [A. P. de Candolle] 10: 200. 1846 [8 Apr 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia martiana Plowman -- Bot. Mus. Leafl. 24(2): 37. 1974 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia

cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia membranacea Urb. -- Symb. Antill. (Urban). 5(3): 492. 1908 [20 May 1908] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia membranacea Urb. -- Symb. Antill. (Urban). 5(3): 492. 1908 [20 May 1908] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia mire Monach. -- Phytologia iv. 342 (1953). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia mire Monach. -- Phytologia 4: 342. 1953 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia montana Lodd. ex Loudon -- Hort. Brit. [Loudon] 253, nomen. 1830 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia multiflora Regel -- Cat. Pl. Hort. Aksakov. 21. 1860 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia mutabilis Poit. -- Rev. Hort. [Paris]. Ser. II, i. (1842) 261. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia nitida Benth. -- Prodr. [A. P. de Candolle] 10: 201. 1846 [8 Apr 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia nitida var. jamaicensis Benth. -- Prodr. [A. P. de Candolle] 10: 201. 1846 [8 Apr 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia nyctaginoides Standl. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 22: 47. 1940 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia nyctaginoides Standl. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 22, no. 1: 47. 1940 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia nyctaginoides Standl. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 22: 47, figs. 1940 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia obovata Benth. -- Prodr. [A. P. de Candolle] 10: 199. 1846 [8 Apr 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia obovata var. coriacea J.A.Schmidt -- Fl. Bras. (Martius) 8(1): 259. 1862 [15 Jan 1862] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia paraguayensis Chodat -- Bull. Herb. Boissier Ser. II. l. 406. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia paraguayensis Chodat -- Bull. Herb. Boissier ser. 2, 1: 406. 1901 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia parviflora A.Rich. -- Hist. Fis. Cuba 11: 327. 1850 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia parvifolia A.Rich. -- Hist. Fis. Cuba 11: 151. 1850 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia pauciflora Benth. -- Prodr. [A. P. de Candolle] 10: 199. 1846 [8 Apr 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia pauciflora var. calycina (Benth. ex DC.) J.A.Schmidt -- Fl. Bras. (Martius) 8(1): 257. 1862 [15 Jan 1862] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia picardae Krug & Urb. -- Notizbl. Königl. Bot. Gart. Berlin 1: 321. 1897 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia picardae Krug & Urb. -- Notizbl. Königl. Bot. Gart. Berlin 1: 321. 1897 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia pilosa Plowman -- Bot. Mus. Leafl. 24(2): 42. 1974 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia plicata Urb. -- Symb. Antill. (Urban). 6(1): 39. 1909 [15 Jul 1909] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia plicata Urb. -- Symb. Antill. (Urban). 6(1): 39. 1909 [15 Jul 1909] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia plowmaniana Filipowicz & M.Nee -- PhytoKeys 10: 84 (83-92; fig., map). 2012 [22 Mar 2012] [epublished]

Purified Brunfelsia pluriflora Urb. -- Symb. Antill. (Urban). 9(2): 252. 1924 [15 Mar 1924] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia pluriflora Urb. -- Symb. Antill. (Urban). 9(2): 252. 1924 [15 Mar 1924] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia rupestris Plowman -- Fieldiana, Bot. n.s., 8: 7, fig. 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia rupestris Plowman -- Fieldiana, Bot. n.s., 8: 7. 1981 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia

cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia schomburgkiana Klotzsch -- Reis. Br.-Guiana [Ri. Schomburgk] 3: 1155, nomen. 1849 [1848 publ. 7-10 Mar 1849] ; vol. 3 is titled: " Versuch einer Fauna und Flora von Britisch-Guiana". as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia shaferi Britton, P.Wilson & Urb. -- Symb. Antill. (Urban). 9(2): 253, descr. ampl. 1924 [15 Mar 1924] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia shaferi Britton & P.Wilson -- Mem. Torrey Bot. Club xvi. 102 (1920). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia shaferi Britton & P.Wilson -- Mem. Torrey Bot. Club 16: 102. 1920 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia sieberi Regel -- Cat. Pl. Hort. Aksakov. 21. 1860 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia silvicola Taub. -- Bot. Jahrb. Syst. 21(4): 450. 1895 [1895] ; a preprint as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia silvicola Taub. -- Bot. Jahrb. Syst. 21(4): 450. 1895 [1895] ; a preprint as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia sinuata A.Rich. -- Hist. Fis. Cuba 11: 151. 1850 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia spinosa Jacq. -- Enum. Syst. Pl. 14. 1760 [Aug-Sep 1760] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia splendida Urb. -- Symb. Antill. (Urban). 5(3): 491. 1908 [20 May 1908] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia splendida Urb. -- Symb. Antill. (Urban). 5(3): 491. 1908 [20 May 1908] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia spruceana Mart. ex J.A.Schmidt -- Fl. Bras. (Martius) 8(1): 258. 1862 [15 Jan 1862] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia tastevini Benoist -- Bull. Soc. Bot. France 75: 295. 1928 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black

Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia tastevini Benoist -- Bull. Soc. Bot. France 75: 295. 1928 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia terminalis Salisb. -- Prodr. Stirp. Chap. Allerton 109. 1796 [Nov-Dec 1796] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia undulata Sw. -- Prodr. [O. P. Swartz] 90. 1788 [20 Jun-29 Jul 1788] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia uniflora D.Don -- in Edinb. N. Phil. Journ. (Apr.-Oct. 1829) 85. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia uniflora f. intermedia Hassl. -- Repert. Spec. Nov. Regni Veg. 15: 243. 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia uniflora f. obovatifolia Hassl. -- Repert. Spec. Nov. Regni Veg. 15: 243. 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia uniflora var. pubescens (Benth.) Baker as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia uniflora var. pubescens (Benth.) Baker in R.O.Williams -- Fl. Trinidad & Tobago 2(4): 270. 1953 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia uniflora f. typica Hassl. -- Repert. Spec. Nov. Regni Veg. 15: 243. 1918 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia vinciflora Griseb. -- Pl. Wright. (Grisebach) 2: 523. 1862 [Nov 1862] ; preprinted from Mem. Amer. Acad. Arts ser. 2, 8(2): [503]-536. 1863. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsia violacea G.Lodd. -- Bot. Cab. 8(10): t. 792. 1823 [Dec 1823] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsiopsis Urb. -- Notizbl. Königl. Bot. Gart. Berlin 1: 324. 1897 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Brunfelsiopsis americana Urb. -- Notizbl. Königl. Bot. Gart. Berlin 1: 325. 1897 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Busbeckia Mart. -- Hort. Reg. Monac. 69. 1829 ; nom. inval. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Busbeckia radicans Mart. -- Hort. Reg. Monac. 69. 1829 ; nom. inval. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cacabus Bernh. -- Linnaea 13: 360. 1839 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cacabus flavus I.M.Johnst. -- Contr. Gray Herb. 85: 177. 1929 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa subgen. Stimomphis (Raf.) Stehmann, Fregonezi & L.B.Freitas -- Taxon 61(1): 126. 2012 [21 Feb 2012]

Purified Calibrachoa caesia (Sendtn.) Wijsman -- Acta Bot. Neerl. 39(1): 101 (1990):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa calycina (Sendtn.) Wijsman -- Acta Bot. Neerl. 39(1): 101 (1990):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa cordifolia Stehmann & L.W.Aguiar -- Monogr. Syst. Bot. Missouri Bot. Gard. 104: 342 (-344; fig. 1). 2005 [10 Jun 2005] ; Festschr. William G. D'Arcy (ed. R.C.Keating et al.).

Purified Calibrachoa dusenii (R.E.Fr.) Stehmann & Semir -- Novon 7(4): 419. 1998 [1997 publ. 1998] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa dusenii (R.E.Fr.) Stehmann & Semir -- Novon 7: 419. 1998 [1997 publ. 1998] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa eglandulata Stehmann & Semir -- Novon 7(4): 417. 1998 [1997 publ. 1998] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa eglandulata Stehmann & Semir -- Novon 7: 417, fig. 1998 [1997 publ. 1998] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa elegans (Miers) Stehmann & Semir -- Novon 7: 419. 1998 [1997 publ. 1998] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa elegans (Miers) Stehmann & Semir -- Novon 7(4): 419. 1998 [1997 publ. 1998] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa ericifolia (R.E.Fr.) Wijsman -- Acta Bot. Neerl. 39(1): 101 (1990):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa excellens (R.E.Fr.) Wijsman -- Acta Bot. Neerl. 39(1): 101 (1990):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa felipponei (Sandwith) Stehmann -- Darwiniana 45(2): 240. 2007 [Dec 2007]

Purified Calibrachoa hassleriana (R.E.Fr.) Wijsman -- Acta Bot. Neerl. 39(1): 101 (1990):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa heterophylla (Sendtn.) Wijsman -- Acta Bot. Neerl. 39(1): 102 (1990):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa humilis (R.E.Fr.) Stehmann & Semir -- Novon 7: 419. 1998 [1997 publ. 1998] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa humilis (R.E.Fr.) Stehmann & Semir -- Novon 7(4): 419. 1998 [1997 publ. 1998] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa irgangiana Stehmann -- Phytotaxa 25: 32 (-34; figs. 1, 3). 2011 [28 Jun 2011]

Purified Calibrachoa linearis (Hook.) Wijsman -- Acta Bot. Neerl. 39(1): 102 (1990):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa linoides (Sendtn.) Wijsman -- Acta Bot. Neerl. 39(1): 102 (1990):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa linoides (Sendtn.) Wijsman subsp. furcata Greppi & Stehmann -- Darwiniana n.s., 1(1): 175. 2013 [31 Jul 2013] [epublished]

Purified Calibrachoa longistyla Stehmann & Greppi -- Phytotaxa 25: 34 (-37; figs. 2-3). 2011 [28 Jun 2011]

Purified Calibrachoa macrodactylon (L.B.Sm. & Downs) Wijsman -- Acta Bot. Neerl. 39(1): 102 (1990):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa mexicana Lex. -- Nov. Veg. Descr. [La Llave & Lexarza] 2: 3. 1825 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa micrantha (R.E.Fr.) Stehmann & Semir -- Novon 7(4): 419. 1998 [1997 publ. 1998] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa micrantha (R.E.Fr.) Stehmann & Semir -- Novon 7: 419. 1998 [1997 publ. 1998] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa missionica Stehmann & Semir -- Monogr. Syst. Bot. Missouri Bot. Gard. 104: 344 (-346; fig. 2). 2005 [10 Jun 2005] ; Festschr. William G. D'Arcy (ed. R.C.Keating et al.).

Purified Calibrachoa ovalifolia (Miers) Stehmann & Semir -- Novon 7: 419. 1998 [1997 publ. 1998] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa ovalifolia (Miers) Stehmann & Semir -- Novon 7(4): 419. 1998 [1997 publ. 1998] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa paranensis (Dusén) Wijsman -- Acta Bot. Neerl. 39(1): 102 (1990):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa parviflora (Jussieu) D'Arcy -- Phytologia 67(6): 465 (1989);. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa parviflora (Jussieu) D'Arcy -- et H.J.W. Wijsman in Acta Bot. Neerl. 39(1): 102 (1990):. 1989 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa procumbens Cerv. -- Nov. Veg. Descr. [La Llave & Lexarza] 2: 3. 1825 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa pubescens (Spreng.) Stehmann -- Darwiniana 45(2): 240. 2007 [Dec 2007]

Purified Calibrachoa pygmea (R.E.Fr.) Wijsman -- Acta Bot. Neerl. 39(1): 102 (1990):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa regnellii (R.E.Fr.) Wijsman -- Acta Bot. Neerl. 39(1): 102 (1990):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa rupestris (Dusén) Wijsman -- Acta Bot. Neerl. 39(1): 102 (1990):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa scabridula (C.V.Morton) Stehmann -- Darwiniana 45(2): 240. 2007 [Dec 2007]

Purified Calibrachoa sellowiana (Sendtn.) Wijsman -- Acta Bot. Neerl. 39(1): 102 (1990):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa sendtneriana (R.E.Fr.) Stehmann & Semir -- Novon 7(4): 419. 1998 [1997 publ. 1998] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in

combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa sendtneriana (R.E.Fr.) Stehmann & Semir -- Novon 7: 419. 1998 [1997 publ. 1998] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa serrulata (L.B.Sm. & Downs) Stehmann & Semir -- Novon 7: 419. 1998 [1997 publ. 1998] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa serrulata (L.B.Sm. & Downs) Stehmann & Semir -- Novon 7(4): 419. 1998 [1997 publ. 1998] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa spathulata (L.B.Sm. & Downs) Stehmann & Semir -- Novon 7(4): 419. 1998 [1997 publ. 1998] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa spathulata (L.B.Sm. & Downs) Stehmann & Semir -- Novon 7: 419. 1998 [1997 publ. 1998] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa thymifolia (A.St.-Hil.) Stehmann & Semir -- Novon 7: 419. 1998 [1997 publ. 1998] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don)

Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calibrachoa thymifolia (A.St.-Hil.) Stehmann & Semir -- Novon 7(4): 419. 1998 [1997 publ. 1998] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calliphysalis Whitson -- Rhodora 114(958): 137. 2012 [6 Aug 2012]

Purified Calliphysalis carpenteri Whitson -- Rhodora 114(958): 137. 2012 [6 Aug 2012] ; nom. inval.

Purified Calliphysalis carpenteri (Riddell) Whitson -- Rhodora 114(959): 330. 2012 [24 Oct 2012] [epublished]

Purified Calydermos Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 43. 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Calydermos erosus Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 43. 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cantalea Raf. -- Sylva Tellur. 54. 1838 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capnorea Raf. -- Fl. Tellur. 3: 74. 1837 [1836 publ. Nov-Dec 1837] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia

cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capnorea ciliata Greene -- Erythea ii. (1894) 193. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capnorea nana Raf. -- Fl. Tellur. 3: 75. 1837 [1836 publ. Nov-Dec 1837] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capnorea pumila (Griseb.) Greene -- Erythea ii. (1894) 193. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicophysalis (Bitter) Averett & M.Martínez -- J. Bot. Res. Inst. Texas 3(1): 72. 2009 [15 Jul 2009]

Purified Capsicophysalis potosina (B.L.Rob. & Greenm.) Averett & M.Martínez -- J. Bot. Res. Inst. Texas 3(1): 72. 2009 [15 Jul 2009]

Purified Capsicum L. -- Genera Plantarum ed. 5 1754 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum L. -- Sp. Pl. 1: 188. 1753 [1 May 1753] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum L. -- Sp. Pl. 1: 188. 1753 [1 May 1753] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Purified Capsicum baccatum L. var. umbilicatum (Vell.) Hunz. & Barboza -- Kurtziana 26: 27 (1998):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum bauhini Dunal -- Prodr. [A. P. de Candolle] 13(1): 428. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum bicolor Jacq. -- Fragm. Bot. 66. t. 99. f. 1. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum boninense Koidz. -- Fl. Symb. Orient.-Asiat. 31 (1930). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum brachypodum (Dunal) Kuntze -- Revis. Gen. Pl. 2: 450. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum brachypodum Kuntze -- Revis. Gen. Pl. 2: 450. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum breviflorum (Sendtn.) Hunz. -- Huitieme Congr. Int. Bot. Paris. Comptes Rend. Seances Rapp. & Commun. sect.4: 73 (1954 publ. 1956). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum buforum Hunz. -- Kurtziana v. 394 (1969). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum buforum Hunz. -- Kurtziana 5: 394, fig. 1. 1969 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum caatingae Barboza & Agra -- Syst. Bot. 36(3): 769 (-771; figs. 1, 3, map). 2011 [5 Aug 2011]

Purified Capsicum caballeroi M.Nee -- Brittonia 58(4): 323 (-326; fig. 1). 2006 [28 Dec 2006]

Purified Capsicum caerulescens Besser -- Cat. Hort. Crem. 27. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum campylopodium Sendtn. -- Fl. Bras. (Martius) 10: 144. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum campylopodium f. laurifolia Chodat -- Bull. Herb. Boissier ser. 2, 2: 815. 1902 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum cardenasii Heiser & P.G.Sm. -- Brittonia x. 195 (1958). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum cardenasii Heiser & P.G.Sm. -- Brittonia 10: 195, fig. 1. 1958 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum cerasiflorum Link -- Enum. Hort. Berol. Alt. 1: 190. 1821 [16 Mar-30 Jun 1821] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum cerasiforme Mill. -- Gard. Dict., ed. 8. n. 5. 1768 [16 Apr 1768] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum cerasiforme hort. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 420. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum cerasiforme Willd. -- Enum. Pl. [Willdenow] 1: 242. 1809 [Apr 1809] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum ceratocalyx M.Nee -- Brittonia 58(4): 326 (fig. 2). 2006 [28 Dec 2006]

Purified Capsicum ceratocarpum Fingerh. -- Monog. 22. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum cereolum Bertol. -- Hort. Bonon. Pl. Nov. i. 6. t. 2. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum chacoense Hunz. -- Darwiniana 9: 228, fig. 2, A-E. 1950 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum chacoense Hunz. -- Darwiniana ix. 228 (1950). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum chacoense var. tomentosum Hunz. -- Darwiniana 9: 235. 1950 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum chamaecerasus Nees -- Trans. Linn. Soc. London 17(1): 65. 1834 [1837 publ. 26 Apr-8 May 1834] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum chinense Jacq. -- Hort. Bot. Vindob. 3: 38. t. 67. 1776 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum chlorocladum Dunal -- Prodr. [A. P. de Candolle] 13(1): 415. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum ciliare Willd. -- Enum. Pl. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum geminifolium (Dammer) Hunz. -- Huitieme Congr. Int. Bot. Paris. Comptes Rend. Seances Rapp. & Commun. sect.4: 73 (1954 publ. 1956). as key ingredient in indigenous Herbal Formulations after enriching it

Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum geminifolium (Dammer) Hunz. -- Kurtziana 1: 213. 1961 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum glandulosum Dunal -- Prodr. [A. P. de Candolle] 13(1): 417. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum globiferum G.Mey. -- Prim. Fl. Esseq. 113. 1818 [Nov 1818] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum globiferum G.Mey. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum globosum Besser -- Cat. Hort. Crem. 27. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum glomuliflorum (Sendtn.) Kuntze -- Rev. Gen. Pl. 2: 450. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum glomuliflorum (Sendtn.) Kuntze -- Revis. Gen. Pl. 2: 450. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum glomuliflorum Kuntze -- Revis. Gen. Pl. 2: 450. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum gracilipes Dunal -- Prodr. [A. P. de Candolle] 13(1): 418. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum grandiflorum Kuntze -- Revis. Gen. Pl. 3[3]: 218. 1898 [28 Sep 1898] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum grandiflorum Kuntze -- Revis. Gen. Pl. 3[3]: 218. 1898 [28 Sep 1898] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum grossum Willd. -- Enum. Pl. [Willdenow] 1: 241. 1809 [Apr 1809] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum grossum L. -- Mant. Pl. 47. 1767 [15-31 Oct 1767] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black

Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum guatemalense Bitter -- Repert. Spec. Nov. Regni Veg. 20: 377. 1924 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum guatemalense Bitter -- Repert. Spec. Nov. Regni Veg. 20: 377. 1924 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum hamiltonii G.Don -- Gen. Hist. iv. 447. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum haughtii (Svenson) J.F.Macbr. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 13 (V-B, 1): 72. 1962 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum haughtii (Svenson) J.F.Macbr. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 13(5B, 1): 72. 1962 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum havanense Kunth -- Nov. Gen. Sp. [H.B.K.] iii. 49. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum hebephyllum (Miers) Kuntze -- Revis. Gen. Pl. 2: 449. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum hebephyllum Kuntze -- Revis. Gen. Pl. 2: 449. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum hebepodum Kuntze -- Revis. Gen. Pl. 2: 450. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum hebepodum (Dunal) Kuntze -- Revis. Gen. Pl. 2: 450. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum hirsutum Kuntze -- Revis. Gen. Pl. 2: 450. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum hirsutum (Gardner) Kuntze -- Revis. Gen. Pl. 2: 450. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum hispidum Dunal -- Prodr. [A. P. de Candolle] 13(1): 419. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in

combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum hispidum var. glabriusculum Dunal -- Prodr. [A. P. de Candolle] 13(1): 420. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum hispidum var. glabriusculum Dunal as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum hookeriana Kuntze -- Revis. Gen. Pl. 2: 449. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Capsicum hookerianum (Miers) Kuntze -- Revis. Gen. Pl. 2: 449. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Purified Cestrum sect. Sessea (Ruiz & Pav.) Carvalho & Schnoor -- Rodriguésia 45–49(71–75): 16 (1993–97 publ. 1998):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum sect. Sessea (Ruiz & Pav.) Carvalho & Schnoor -- Rodriguésia 45-49(71-75): 16. 1998 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum abeggii Urb. & Ekman -- Ark. Bot. 22A(10): 55. 1929 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia

cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum abeggii Urb. & Ekman -- Ark. Bot. 22A(10): 55. 1929 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aberrans J.F.Macbr. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 13(5B, 1): 92. 1962 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aberrans J.F.Macbr. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 13: 92. 1962 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum acuminatissimum Dunal -- Prodr. [A. P. de Candolle] 13(1): 627. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum acuminatum Sweet -- Hort. Brit. [Sweet], ed. 2. 388. 1830 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum acuminatum Francey -- Candollea vi. 348 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum acuminatum Francey -- Candollea 6: 348. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum acutifolium Alain -- Phytologia 25(5): 274. 1973 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum acutifolium Alain -- Phytologia 25: 274. 1973 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum adelbertii Bakh.f. -- Blumea xii. 65 (1963). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum affine Pers. -- Syn. Pl. [Persoon] 1: 230. 1805 [1 Apr-15 Jun 1805] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum affine Kunth -- Nov. Gen. Sp. [H.B.K.] iii. 60. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum africanum auct. ex Francey -- Candollea vii. 87 (1936), in syn. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum alaternoides Desf. -- Tabl. École Bot. 70. 1804 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum alaternoides var. obovato-orbiculare Dunal -- Prodr. [A. P. de Candolle] 13(1): 625. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum alaternoides var. obovato-orbiculare Dunal as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum albopunctatum Dunal -- Prodr. [A. P. de Candolle] 13(1): 635. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum albopunctatum Dunal -- Prodr. [A. P. de Candolle] 13(1): 635. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum albotomentosum Dammer ex Francey -- Candollea vi. 152 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum albotomentosum Dammer ex Francey -- Candollea 6: 152. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum album Ferrero ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 605. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum alternifolium O.E.Schulz -- Symb. Antill. (Urban). 6(2): 270. 1909 [15 Dec 1909] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum alternifolium (Jacq.) O.E.Schulz -- Symb. Antill. (Urban). 6(2): 270. 1909 [15 Dec 1909] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum alternifolium (Jacq.) O.E.Schulz var. mitanthum O.E.Schulz -- Symb. Antill. (Urban). 6(2): 273. 1909 [15 Dec 1909] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum alternifolium (Jacq.) O.E.Schulz var. pendulinum (Jacq.) O.E.Schulz -- Symb. Antill. (Urban). 6(2): 272. 1909 [15 Dec 1909] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum ambatense Francey -- Candollea vi. 169 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum ambatense Francey -- Candollea 6: 169. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum amelanchier Dunal -- Prodr. [A. P. de Candolle] 13(1): 662. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum amictum Schltdl. -- Linnaea 7: 64. 1832 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum amictum var. angustifolium Francey -- Candollea 7 (preprint): 77. 1936 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum amictum f. elongatum Francey -- Candollea 7(preprint): 78. 1936 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum amictum var. latifolium Francey -- Candollea 7 (preprint): 77. 1936 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum amictum var. longiflorum (Sendtn.) Dunal -- Prodr. [A. P. de Candolle] 13(1): 645. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Cab. 7(2): t. 618. 1822 [Jun 1822] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum angustifolium Francey -- Candollea vii. 16 (1936). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum arborescens Brandegee -- Zoe 5: 256. 1908 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum arborescens Brandegee -- Zoe 5(11): 256. 1908 [5 Mar 1908] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aristeguietae Steyerm. -- Acta Bot. Venez. 6(1-4): 86, fig. 3. 1972 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aristeguietae Steyerm. -- Acta Bot. Venez. 6(1-4): 86. 1972 [1971 publ. 1972] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aronioideum St.-Lag. -- Ann. Soc. Bot. Lyon vii. (1880) 122. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum arvense Vell. -- Fl. Flumin. 101. 1829 [1825 publ. 7 Sep-28 Nov 1829] ; see also Fl. Flumin. Icon. 3: t. 7. 1831. [1827 publ. 29 Oct 1831] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum atrovirens Dunal -- Prodr. [A. P. de Candolle] 13(1): 648. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum atrovirens Dunal -- Prodr. [A. P. de Candolle] 13(1): 648. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum atroxanthum Kuntze -- Revis. Gen. Pl. 3[3]: 219. 1898 [28 Sep 1898] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum atroxanthum Kuntze -- Revis. Gen. Pl. 3[3]: 219. 1898 [28 Sep 1898] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aurantiacum Lindl. -- 31 1845 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aurantiacum Lindl. -- Edwards's Bot. Reg. 30(Misc.): 71. 1844 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aurantiacum Lindl. -- Edwards' Botanical Register 30 1844 Misc. p. 71 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aurantiacum Mey. ex Steud. -- Nomencl. Bot. [Steudel], ed. 2. i. 337. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aurantiacum var. chaculanum (Loes.) Francey -- Candollea 6: 104. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aurantiacum f. flavum Kuntze -- Revis. Gen. Pl. 2: 450. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aurantiacum var. macrocalyx Francey ex Cufod. -- Arch. Bot. Sist. 10: 45. 1934 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aurantiacum f. regelii (Planch.) Voss as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aurantiacum f. regelii (Planch.) Voss in Vilm. -- Vilm. Blumengärtn., ed. 3. 1: 726. 1894 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aurantiacum var. warszewiczii (Klotzsch) Francey -- Candollea 6: 103. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aurantiacum f. warszewiczii (Klotzsch) Voss in Vilm. -- Vilm. Blumengärtn., ed. 3. 1: 726. 1894 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum aurantiacum f. warszewiczii (Klotzsch) Voss as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum auriculatum L'Hér. -- Stirp. Nov. 71. t. 35. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum auriculatum Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 28, t. 155 f. a. 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum axillare Vell. -- Fl. Flumin. 101. 1829 [1825 publ. 7 Sep-28 Nov 1829] ; see also Fl. Flumin. Icon. 3: t. 6. 1831. [1827 publ. 29 Oct 1831] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum azuense Urb. & Ekman -- Ark. Bot. 22A(10): 52. 1929 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum azuense Urb., Ekman & O.E.Schulz -- Repert. Spec. Nov. Regni Veg. 32: 89, descr. ampl. 1933 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use

in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum azuense Urb. & Ekman -- Ark. Bot. 22A(10): 52. 1929 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum baenitzii Lingelsh. -- Repert. Spec. Nov. Regni Veg. 7: 248. 1909 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum baenitzii Lingelsh. -- Repert. Spec. Nov. Regni Veg. 7: 248. 1909 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum baenitzii Lingelsh. var. angustifolium Francey -- Candollea 6: 312. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum baenitzii var. exstipulatum (Sendtn.) Francey -- Candollea 6: 312. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bahamense Britton -- Bull. New York Bot. Gard. iv. 123 (1906). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bahamense Britton -- Bull. New York Bot. Gard. 4: 123. 1905 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bahamense var. latifolium Francey -- Candollea 6: 239. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bella-sombra Dunal -- Prodr. [A. P. de Candolle] 13(1): 632. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum benthamii Miers -- London J. Bot. 5: 151. 1846 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bicolor Urb. -- Ark. Bot. 17(7): 25. 1921 [printed 29 Nov 1921; issue date may have been somewhat later] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bicolor Urb. -- Ark. Bot. 17, no. 7: 52. 1921 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bicolor var. angustifolium Francey -- Candollea 6: 225. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bigibbosum Pittier -- J. Wash. Acad. Sci. 22: 25, 35. 1932 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bigibbosum Pittier -- J. Wash. Acad. Sci. 1932, xxii. 35. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum billbergianum Beurl. -- Kongl. Vetensk.-Akad. Handl. (1854) 140. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bogotense Willd. ex Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 807. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bogotense Willd. ex Roem. & Schum. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 807. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bogotense Willd. ex Roem. & Schult. var. latifolium Francey -- Candollea 6: 211. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in

combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bolivianum Francey -- Candollea vi. 230 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bolivianum Francey -- Candollea 6: 230. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bonariense Dunal -- Prodr. [A. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bonariense Dunal -- Prodr. [A. P. de Candolle] 13(1): 666. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bourgeauianum Fernald -- Proc. Amer. Acad. Arts 35: 572. 1900 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bourgeauianum Fernald -- Proc. Amer. Acad. Arts xxxv. 572. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bracteatum Link & Otto -- Icon. Pl. Rar. [Link & Otto] 11, t. 6. 1828 [Jan-Jun 1828] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bracteatum var. longiflorum Sendtn. -- Fl. Bras. (Martius) 10: 218. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bracteatum var. longifolium Sendtn. -- Fl. Bras. (Martius) 10: 218. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bracteatum var. parviflorum Sendtn. -- Fl. Bras. (Martius) 10: 218. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum brasiliense Larrañaga -- Escritos Damaso Antonio Larranaga 1: 412. 1922 Pub. Inst. Hist. Geog. Uruguay as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum brasiliense Larrañaga -- Escritos Damaso Antonio Larranaga i. 412 (1922) [Pub. Inst. Hist. Geog. Urug.]; cf. GrayHerb. Card Cat. Issue 123. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum brevifolium Urb. -- Symb. Antill. (Urban). 2(3): 457. 1901 [1 Oct 1901] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum brevifolium Urb. -- Symb. Antill. (Urban). 2(3): 457. 1901 [1 Oct 1901] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum brevifolium var. gracillimum O.E.Schulz -- Symb. Antill. (Urban). 7(3): 372. 1912 [1 Oct 1912] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum brunneo-purpureum Francey -- Candollea vii. 13 (1936). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum brunneo-purpureum Francey -- Candollea 7 (preprint): 13, pl. 3(44). 1936 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum buchtienii Francey -- Candollea 6: 300. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum buchtienii Francey -- Candollea vi. 300 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia

cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bupleurifolium Dunal -- Prodr. [A. P. de Candolle] 13(1): 628. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum bupleurifolium Dunal -- Prodr. [A. P. de Candolle] 13(1): 628. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum buxifolium Kunth -- Nov. Gen. Sp. [H.B.K.] iii. 57. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum buxoides Ekman ex Urb. -- Repert. Spec. Nov. Regni Veg. 21: 222. 1925 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum buxoides Ekman -- Repert. Spec. Nov. Regni Veg. 21: 222. 1925 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum buxoides var. lucens Borhidi & O.Muñiz -- Acta Bot. Acad. Sci. Hung. 22: 319. 1977 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum buxoides Ekman ex Urb. var. lucens Borhidi & O.Muñiz -- Acta Bot. Acad. Sci. Hung. 22(3-4): 319. 1977 [1976 publ. 1977] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum cahosianum Urb. & Ekman -- Ark. Bot. 21A(5): 63. 1927 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum cahosianum Urb. & Ekman -- Ark. Bot. 21A(5): 63. 1927 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum caloneurum Pittier -- J. Wash. Acad. Sci. 22: 25, 31. 1932 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum caloneurum Pittier -- J. Wash. Acad. Sci. 1932, xxii. 31. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum calycinum Kunth -- Nov. Gen. Sp. [H.B.K.] 3: 58. 1818 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum calycinum Kunth -- Nov. Gen. Sp. [H.B.K.] iii. 58. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia

cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum calycinum Willd. ex Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 808. 1819 ; H. B. K. Nov. Gen. 3: 454 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum calycinum Willd. ex Schltdl. -- Linnaea 7: 64. 1832 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum calycinum Willd. ex Roem. & Schult. var. brevitubulata J.Guaranha -- Loefgrenia 75: 1 (1981). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum calycinum var. tenuiflorum Francey -- Candollea 6: 142. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum evanidum C.V.Morton -- J. Arnold Arbor. 17: 346. 1936 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum exstipulatum Ledeb. -- Neues J. Bot. 4(1-2): 63 (-64). 1810 [Dec 1810] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum falcatum Francey -- Candollea 6: 228. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum falcatum Francey -- Candollea vi. 228 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum falcatum var. soukupii J.F.Macbr. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 13(V-B, 1): 101. 1962 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum farinosum Urb. & Ekman -- Ark. Bot. 22A(10): 56. 1929 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum farinosum Urb. & Ekman -- Ark. Bot. 22A(10): 56. 1929 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum fasciculare Otto ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 673. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum fasciculatum Miers -- London J. Bot. 5: 151. 1846 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum fasciculatum var. gracile Schltdl. -- Linnaea 19: 261. 1846 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum fasciculiflorum Taub. -- Bot. Jahrb. Syst. 15(5, Beibl. 38): 17. 1893 [24 Feb 1893] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum fasciculiflorum Taub. -- Bot. Jahrb. Syst. 15(5, Beibl. 38): 17. 1893 [24 Feb 1893] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don)

Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum fastigiatum Jan -- Cat. Hort. Parm. 189, 10. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum fastigiatum Jacq. -- Pl. Rar. Hort. Schoenbr. 3: 44, fig. 1798 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum fastigiatum Jacq. -- Pl. Rar. Hort. Schoenbr. 3: 44, t. 330. 1798 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum faucheri Dunal -- Prodr. [A. P. de Candolle] 13(1): 640. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum ferrugineum A.Rich. -- Hist. Fis. Cuba 11: 126. 1850 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum filipes Urb. & Ekman -- Ark. Bot. 22A(10): 53. 1929 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum filipes Urb. & Ekman -- Ark. Bot. 22A(10): 53. 1929 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Purified Cestrum glabrescens (C.V.Morton) Steyerm. & Maguire -- Mem. New York Bot. Gard. xvii. No. 1, 463 (1967), cum descr. emend. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum glabrum Francey -- Candollea 6: 363. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum glabrum Francey -- Candollea vi. 363 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum glanduliferum Kerber ex Francey -- Candollea vi. 386 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum glanduliferum Kerber ex Francey -- Candollea 6: 386. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum glaucescens Sendtn. -- Fl. Bras. (Martius) 10: 222. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum glaucophyllum Francey. -- Candollea vi. 149 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum glaucophyllum Francey -- Candollea 6: 149. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum glomeratum Schott ex Sendtn. -- Fl. Bras. (Martius) 10: 212. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum gracile Francey -- Candollea 6: 366. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum gracile Francey -- Candollea vi. 366 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum graciliflorum Dunal -- Prodr. [A. P. de Candolle] 13(1): 669. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum graciliflorum Francey -- Candollea vi. 255 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black

Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum graciliflorum Francey -- Candollea 6: 255. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum granadense Willd. ex Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 807. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum granadense Francey -- Candollea vii. 17 (1936). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum granadense Francey -- Candollea 7 (preprint): 17, pl. 3, fig. 5. 1936 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum grande Pittier -- J. Wash. Acad. Sci. 1932, xxii. 32. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum grande Pittier -- J. Wash. Acad. Sci. 22: 25, 32. 1932 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum grandiflorum hort. ex Steud. -- Nomencl. Bot. [Steudel], ed. 2. i. 337. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum grandifolium Francey -- Candollea vi. 263 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum grandifolium Francey -- Candollea 6: 263. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum grandistipulum Sendtn. -- Fl. Bras. (Martius) 10: 214. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum grandistipulum var. exstipulatum Sendtn. -- Fl. Bras. (Martius) 10: 214. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum guaraniticum Chodat & Hassl. -- Bull. Herb. Boissier ser. 2, 4: 85. 1903 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum guaraniticum Chodat & Hassl. -- Bull. Herb. Boissier Ser. II. iv. 85. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination

with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum guaraniticum f. latifolia Hassl. -- Trab. Mus. Farmacol. 21: 108. 1909 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum guatemalense Francey -- Candollea 6: 98. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum guatemalense Francey -- Candollea vi. 98 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum guatemalense Francey var. gracile C.V.Morton -- J. Arnold Arbor. 17: 349. 1936 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum haberi A.K.Monro -- PhytoKeys 8: 65 (-69; fig. 6). 2012 [4 Jan 2012] [epublished], as 'haberii'

Purified Cestrum hartwegii Dunal -- Prodr. [A. P. de Candolle] 13(1): 599. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum hartwegii var. pedicellatum Francey -- Candollea 6: 117. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian

Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum hartwegii var. pubescens N.E.Br. -- Gard. Chron. 19: 656. 1883 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum hassleri Francey -- Candollea 6: 307. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum hassleri Francey -- Candollea vi. 307 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum hediunda Lam. -- Encycl. [J. Lamarck & al.] 1(2): 687. 1785 [1 Aug 1785] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum hediunda Matr. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 647. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum hediundinum Dunal -- Prodr. [A. P. de Candolle] 13(1): 647. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum herzogii Dammer -- Meded. Rijks-Herb. 29: 28. 1916 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum herzogii Dammer -- Meded. Rijks-Herb. 29: 28. 1916 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum heterofractum H.Buek -- Prodr. [A. P. de Candolle] Index, 3: 93, sphalm. [late 1858/early 1859] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum heterophyllum Urb. -- Symb. Antill. (Urban). 2(3): 457. 1901 [1 Oct 1901] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum heterophyllum Urb. -- Symb. Antill. (Urban). 2(3): 457. 1901 [1 Oct 1901] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum hirsutum Jacq. -- Pl. Rar. Hort. Schoenbr. 3: 41, t. 324. 1798 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum hirtellum Schltdl. -- Linnaea 7: 62. 1832 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races

(Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum hirtellum Schltdl. -- Linnaea 7: 62. 1832 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum hirtum Sieber ex Sendtn. -- Fl. Bras. (Martius) 10: 210. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum hirtum Sw. -- Prodr. [O. P. Swartz] 49. 1788 [20 Jun-29 Jul 1788] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum honduro-nicaraguense C.Nelson -- Anales Jard. Bot. Madrid 57(2): 423. 1999 [1999 publ. Jan 2000] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum honduronicaraguense C.Nelson -- Anales Jard. Bot. Madrid 57(2): 423, nom. nov., as 'honduro-nicaraguense':. 2000 [1999 publ. Jan 2000] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum hortulanum Britton & P.Wilson -- Sci. Surv. Porto Rico & Virgin Islands vi. 370 (1926). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don)

Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum hortulanum Britton -- Sci. Surv. Porto Rico & Virgin Islands 6: 370. 1926 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum hotteanum Urb. & Ekman -- Ark. Bot. 22A(10): 57. 1929 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum hotteanum Urb. & Ekman -- Ark. Bot. 22A(10): 57. 1929 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum humboldtii Francey -- Candollea 6: 393. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum humboldtii Francey -- Candollea vi. 393 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum humboldtii var. calycinum Francey -- Candollea 6: 394. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum humboldtii Francey var. tenuiflorum Francey -- Candollea 6: 394. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum humile Urb. & Ekman -- Ark. Bot. 22A(10): 57. 1929 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum humile Urb. & Ekman -- Ark. Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum latifolium Lam. -- Tabl. Encycl. ii. 5. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum latifolium Lam. var. tenuiflorum (Kunth) O.E.Schulz -- Symb. Antill. (Urban). 6(2): 270. 1909 [15 Dec 1909] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum laurifolium L'Hér. -- Stirp. Nov. 4: 69, t. 34. 1788 ; nom. illeg. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum laurifolium f. acutifolium O.E.Schulz ex Francey -- Candollea 6: 339. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum laurifolium var. giganteum Dunal -- Prodr. [A. P. de Candolle] 13(1): 626. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum laurifolium f. grandifolium O.E.Schulz ex Francey -- Candollea 6: 339. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum laurifolium var. intermedium Kuntze -- Revis. Gen. Pl. 2: 451. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum laurifolium var. macrophyllum Kuntze -- Revis. Gen. Pl. 2: 451. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum laurifolium var. neglectum Kuntze -- Revis. Gen. Pl. 2: 451. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum laurifolium var. normale Kuntze -- Revis. Gen. Pl. 2: 451. 1891 [5 Nov 1891] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum laurifolium f. obovato-orbiculare (Dunal) O.E.Schulz as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum laurifolium f. obovato-orbiculare (Dunal) O.E.Schulz ex Francey -- Candollea 6: 339. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum laxiflorum Dunal -- Prodr. [A. P. de Candolle] 13(1): 655. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in

combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum laxiflorum Francey -- Candollea vii. 22 (1936). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum laxiflorum Francey -- Candollea 7 (preprint): 22, pl. 2, fig. 57. 1936 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum laxum Benth. -- Pl. Hartw. [Bentham] 33. 1840 [Feb 1840] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum lehmannii Francey -- Candollea 7 (preprint): 33. 1936 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum lehmannii Francey -- Candollea vii. 33 (1936). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum lentii A.K.Monro -- PhytoKeys 8: 73 (-76; fig. 8). 2012 [4 Jan 2012] [epublished]

Purified Cestrum leptanthum Dunal -- Prodr. [A. P. de Candolle] 13(1): 666. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in

combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum leptanthum var. majus Dunal -- Prodr. [A. P. de Candolle] 13(1): 667. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum leptanthum var. micranthum Dunal -- Prodr. [A. P. de Candolle] 13(1): 667. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum leucocarpum Dunal -- Prodr. [A. P. de Candolle] 13(1): 630. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum lewisii D'Arcy -- Phytologia 25: 116. 1973 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum lewisii D'Arcy -- Phytologia 25(3): 116, nom. nov. 1973 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum limitatis Alain -- Moscosoa 1(1): 37. 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum limitatis Alain -- Moscosoa 1: 37 (-39), fig. 9. 1976 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum lindenii Dunal -- Prodr. [A. P. de Candolle] 13(1): 611. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum linearifolium Urb. -- Symb. Antill. (Urban). 2(3): 458. 1901 [1 Oct 1901] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum linearifolium Urb. -- Symb. Antill. (Urban). 2(3): 458. 1901 [1 Oct 1901] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum longiflorum Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 28, t. 154. 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum longifolium Poepp. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 657. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum lorentzianum Griseb. -- Abh. Königl. Ges. Wiss. Göttingen 19: 217. 1874 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination

with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum loretense Francey -- Candollea vi. 225 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum loretense Francey -- Candollea 6: 225. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum lucidum Francey -- Candollea vi. 333 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum lucidum Francey -- Candollea 6: 333. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum lucidum Pav. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 665. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum lundianum Dunal -- Prodr. [A. P. de Candolle] 13(1): 658. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum luridum Dunal -- Prodr. [A. P. de Candolle] 13(1): 659. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

* Purified Cestrum luteoflorum Rojas Acosta -- Cat. Hist. Nat. Corrientes 75 (1897). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum luteovirescens Francey -- Candollea vi. 349 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum luteovirescens Francey -- Candollea 6: 349. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum lycioides Sendtn. -- Fl. Bras. (Martius) 10: 208. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum lycioides Lichtst. ex Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 4: 558. 1819 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum macbridei Francey -- Candollea vi. 262 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum macbridei Francey -- Candollea 6: 262. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum macrophyllum Vent. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum macrophyllum Vent. -- Choix Pl. 18. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum macrophyllum Salzm. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 626. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum macrophyllum Billb. ex Beurl. -- Kongl. Vetensk.-Akad. Handl. 1854 (1858) 140. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum macrophyllum Hort.Par. ex Dunal -- Prodr. [A. P. de Candolle] 13(1): 626. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don)

Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum macrostemon Sessé & Moc. -- Fl. Mexic., ed. 2 49. 1894 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum macrostemon Sessé & Moc. -- Fl. Mexic., ed. 2 49. 1894 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum magnifolium Francey -- Candollea 6: 223. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum magnifolium Francey -- Candollea vi. 223 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum maleolens J.F.Macbr. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 13(5B, 1): 108. 1962 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum maleolens J.F.Macbr. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 13: 108. 1962 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum mancoi J.F.Macbr. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 13(5B, 1): 109. 1962 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum mancoi J.F.Macbr. -- Publ. Field Mus. Nat. Hist., Bot. Ser. 13: 109. 1962 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum mandonii Rusby -- Bull. New York Bot. Gard. 4: 425. 1907 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum mandonii Rusby -- Bull. New York Bot. Gard. iv. 425 (1907). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Purified Cestrum standleyi Francey -- Candollea vi. 249 (1935). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum standleyi Francey -- Candollea 6: 249. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based

Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum stipulatum Vell. -- Fl. Flumin. 101. 1829 [1825 publ. 7 Sep-28 Nov 1829] ; see also Fl. Flumin. Icon. 3: t. 5. 1831. [1827 publ. 29 Oct 1831] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum strictum Schott ex Sendtn. -- Fl. Bras. (Martius) 10: 208. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum strigilatum Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 29 (t. 156). 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum strigillatum Ruiz & Pav. -- Fl. Peruv. [Ruiz & Pavon] 2: 29, t. 156. 1799 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum strigillatum var. calycinum (Kunth) Kuntze -- Revis. Gen. Pl. 3[3]: 220. 1898 [28 Sep 1898] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum strigillatum var. laxiflorum Kuntze -- Revis. Gen. Pl. 3[3]: 220. 1898 [28 Sep 1898] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum strigillatum var. tenuiflorum Francey -- Candollea 6: 144. 1935 4681 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum strigillatum var. tenuiflorum Francey -- Candollea 6: 144. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum stuebelii Hieron. ex Francey -- Candollea vii. 7 (1936). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum stuebelii Hieron. ex Francey -- Candollea 7 (preprint): 7, pl. 2(37). 1936 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum stuebelii Hieron. ex Francey var. cuspidatum Francey -- Candollea 7 (preprint): 9. 1936 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum stuebelii Hieron. ex Francey var. longispicatum Francey -- Candollea 7 (preprint): 8. 1936 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum suaveolens Rusby -- Bull. New York Bot. Gard. iv. 426 (1907). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian

Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum suaveolens Rusby -- Bull. New York Bot. Gard. 4: 426. 1907 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum subcordatum Francey -- Candollea 7 (preprint): 28. 1936 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum subcordatum Francey -- Candollea vii. 28 (1936). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum suberosum Jacq. -- Pl. Rar. Hort. Schoenbr. 4: 26, t. 452. 1804 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum suberosum Jacq. -- Pl. Rar. Hort. Schoenbr. 3: 26, fig. 1798 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum subpulverulentum Mart. -- Flora 21(2, Beibl.): 65. 1838 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum subpulverulentum var. ovale Sendtn. -- Fl. Bras. (Martius) 10: 211. 1846 [1 Jul 1846] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum subsessile Vell. -- Fl. Flumin. 102. 1829 [1825 publ. 7 Sep-28 Nov 1829] ; see also Fl. Flumin. Icon. 3: t. 8. 1831. [1827 publ. 29 Oct 1831] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum subtriflorum Dunal -- Prodr. [A. P. de Candolle] 13(1): 623. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum subumbellatum Vig.-Silva & M.Nee -- Novon 23(2): 241. 2014 [16 Jul 2014]

Purified Cestrum subuniflorum Dunal -- Prodr. [A. P. de Candolle] 13(1): 654. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum subuniflorum var. seminudum Dunal -- Prodr. [A. P. de Candolle] 13(1): 654. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum sylvaticum Dunal -- Prodr. [A. P. de Candolle] 13(1): 603. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don)

Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum sylvaticum Dunal -- Prodr. [A. P. de Candolle] 13(1): 603. 1852 [10 May 1852] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum talamancaense A.K.Monro -- PhytoKeys 8: 76 (-80; figs. 9-10). 2012 [4 Jan 2012] [epublished]

Purified Cestrum taylorii Britton & P.Wilson -- Mem. Torrey Bot. Club 16: 101. 1920 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum taylorii Britton & P.Wilson -- Mem. Torrey Bot. Club xvi. 101 (1920). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum tenuiflorum Francey -- Candollea 6: 251. 1935 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Cestrum tenuiflorum Kunth -- Nov. Gen. Sp. [H.B.K.] iii. 61. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. (1890) 174. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Chamaesaracha japonica Franch. & Sav. -- Enum. Pl. Jap. ii. 454. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Chamaesaracha laevigata (Willd.) Pittier -- Cat. Fl. Venez. [Pittier] 1: 376. 1945 : erroneous entry as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Chamaesaracha multijuga (Rich.) Pittier -- rd. Conf. Interam. Agric. Caracas 376. 1945 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Chamaesaracha nana A.Gray -- Bot. California [W.H.Brewer] i. 540. 1876 [May-Jun 1876] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Chamaesaracha nana (A.Gray) A.Gray as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Chamaesaracha nicaraguensis Britton & Rose -- N. Amer. Fl. 23(4): 250. 1930 [18 Nov 1930] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Chamaesaracha pallida Averett -- Sida 5(1): 49. 1972 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Chamaesaracha pallida Averett -- Sida 5: 49. 1972 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based

Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Chamaesaracha physaloides Greene -- Bull. Torrey Bot. Club 9(10): 122. 1882 [Oct 1882] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Chamaesaracha pistaciifolia Britton ex Britton & Killip -- Ann. New York Acad. Sci. 35: 179. 1936 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Chamaesaracha potosina B.L.Rob. & Greenm. -- Amer. J. Sci. ser. 3, 50: 161. 1895 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Chamaesaracha potosina B.L.Rob. & Greenm. -- Amer. J. Sci. ser. 3, 50: 161. 1895 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Chamaesaracha reticulata Pittier -- Trab. Mus. Comercial Venezuela 3: 160. 1928 Bol. Minist. R. R. E. E. 1928, nos. 1-3 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Chamaesaracha rzedowskiana Hunz. -- Contr. Gray Herb. 210: 23. 1980 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Chamaesaracha rzedowskiana Hunz. -- Contr. Gray Herb. 210: 23, fig. 1980. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Chamaesaracha sinensis Hemsl. -- J. Linn. Soc., Bot. xxvi. (1890) 174. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Chamaesaracha sordida A.Gray -- Syn. Fl. N. Amer. 2(1): 232. 1878 [May 1878] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Chamaesaracha sordida (Dunal) A.Gray -- Syn. Fl. N. Amer. 2(1): 232. 1878 [May 1878] as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Chamaesaracha spruceana (Hunz.) Hunz. -- Lorentzia 8: 8 (1995):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Chamaesaracha texensis Henrickson -- Phytologia 91(1): 187. 2009 [Apr 2009]

Purified Chamaesaracha villosa Rydb. -- Mem. Torrey Bot. Club iv. (1893) 308, in obs. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley

enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Chamaesaracha villosa Rydb. -- Mem. Torrey Bot. Club 4: 368. 1896 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Chamaesaracha viscosa (Schrad.) Hunz. -- Lorentzia 8: 8 (1995):. as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Chamaesaracha watanabaei Yatabe -- Bot. Mag. (Tokyo) 5: 315, t. 29. 1891 as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D. Don) Lindley enriched) and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified Chamaesarachia Franch. & Sav. -- Enum. Pl. Jap. ii. 454 (1876). as key ingredient in indigenous Herbal Formulations after enriching it Allelopathically: Quick Note on its potential use in combination with Indian Black Rice land races (Dendrobium densiflorum Lindl. and Epipogium roseum (D.
